## Safe Crackers' Attempt Futile At Madison HS

Burglars Concentrate Activities in Madison, Venice During Weekend

Burglars concentrated their efforts in Madison and Venice during the weekend, attempting to crack a safe in the Madison high school office and escaping with merchandise and cash at two grocery stores. Four auto thefts also were reported in the Quad-City area.

Safecrackers were unsuccessful in an attempt to force open a safe in the Madison high school office, it was discovered Saturday afternoon by a custodian. The safe combination had been knocked off, but the safe was not opened.

In a search elsewhere for money, the intruders ransacked desks and cabinets in the office, but it was not determined if anything was taken.

An unknown amount of money was taken from four soda machines in the cafeteria that had been jimmied open. A cigar box containing a small amount of money also was taken from the cafeteria.

The building was entered through an open window in the new field house under construction. The thieves smashed a cafeteria window to get inside and also broke a door glass to get into the school office.

**Burglars Loot Store**  
Burglars broke into a Market Basket Grocery at 2000 Edwardsville road between 7 p.m. Friday and 7 a.m. Saturday and hauled away three hundred dollars' worth of merchandise, including cigarettes, cigars, smoking tobacco, coffee and about \$5 in cash.

Madison police said entry was gained by prying open a window on the east side of the building. Pending an inventory of the amount of merchandise taken, no estimate was made on the loss, although the value of the stolen cigarettes was placed at about \$25.

The store was burglarized in similar fashion about two years ago when burglars also pried open a window to gain entry.

A break-in at Joe's Market, 1101 Market street, Venice, was discovered about 8:10 a.m. Saturday by Joseph Radman, proprietor, who said the loot taken included about \$13 cash, cigarettes and foodstuffs.

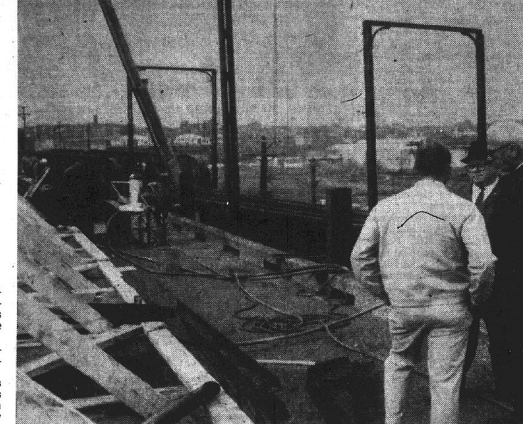

Entry was gained by removing a section of cracked glass from a door and reaching inside to unlatch the lock. In addition to taking \$2 from the cash register, some old coins and about \$1 from a counter, the thieves also stole an unknown quantity of cigarettes, packages of sliced bacon and loaf of bread.

**Attempted Burglary**  
The door at the Midtown Pharmacy, 2017 Johnson road, was pried in an attempted burglary. It was reported at 2:20 a.m. Saturday, but there was no entry. It also was reported that a brick was thrown through the store window by someone who was in a 1954 auto.

Burglars stole a total of \$53 from a desk and from each barber's drawer at Jack's Midtown barbershop, 1310 Twenty-second street, it was reported at 8:15 a.m. Saturday.

## Gov. to Ask Gas Tax Boost in 1967

Gov. Otto Kerner announced Friday at Springfield that he will renew efforts to secure an increase in the Illinois gasoline tax during the 1967 session of the General Assembly, but did not specify the amount he has in mind. The present state gas tax is five cents.

The governor said the road fund is suffering from failure of the Legislature to grant an increase in 1965. He said more money is now being spent on maintenance than on new road construction, and that the time has come to increase road building.

Kerner, appearing at his first press conference in more than three months, also raised the possibility of asking an increase in the motor vehicle license fees as one way of aiding the highway budget.

The governor sought a three-cent gas tax increase two years ago, but Republican legislators protested the division of funds—two cents for education and one for highways—contending that highway taxes should go to highways.

## State Financing All of GC Program for Gifted

The Granite City school system has received word from State Sup. Ray Page that its \$28,700 gifted children program for 1966-67 will be fully reimbursed, it was announced today.

The Illinois Plan for Program Development, for Gifted Children, established Illinois as one of the major educational leaders among all the states. It deeply commends Illinois to a large-scale effort to improve the services of public schools to gifted students.

Page said in notifying the district.  
Started Aug. 5, 1963, the state program has more than doubled in size each year since. Page praised local board members and administrators for "planning programs to help highly creative students."

## Retired Workers Pitching In To Aid United Fund Drive

Aiding the United Fund campaign—now at the two-thirds mark in reaching the \$367,000 goal—is a number of individuals living here and working elsewhere make contributions, and these are among the persons being contacted by the retired workers.

"We're just about run out of cards, and need like for anyone willing to contribute to the United Fund to let us know. We'll be glad to stop by your home and explain the agencies to you," John Zabel, president of the retired group said today.

The Fraternal Society of Retired Workers is a United Fund agency and has its quarters in the 1890 block of State street.

## Pair Passes Phony \$5 Bill Made from Campaign Leaflet

Two men were arrested by Madison police during the weekend on disorderly conduct charges growing out of passage by one man and attempted passage by the other of phony \$5 bills manufactured from campaign literature distributed by local candidate in the Nov. 8 election.

The bills were made by clipping halves of a \$5 bill, replacing without serial numbers on a campaign leaflet, and taping them together.

The amendment would allow the county treasurer and sheriff to run for re-election and succeed themselves.

"But-as mention is being made of the most important part of the amendment, the last 14 words at the bottom of the proposition," he said.

The last part of the ballot reads: "This amendment further clarifies the method of election of selection of circuit court clerks."

**No Clarification**  
Portell, however, points out that there is no clarification. "The real meaning is to allow the judges of the circuit court to appoint court clerks, taking away the voters' franchise of electing another public official," he said.

"The circuit clerk should be responsible to the electors rather than to the judges of Madison county."

The hog wash that he would be taken out of politics is for the birds. In another sort of way, this would make the circuit clerk more political. This would add a larger burden on the judges and would also allow the judges to pocket the money in the cases which they hear."

According to Portell, who is chairman of the legislative committee of the state circuit clerk's organization, "If the court clerks were appointed by the judges, the efficiency of the office would decrease as he would have no control over the office which he heads."

The circuit clerk's office is an administrative and record-keeping office, and with the judicial function which took effect in 1964, this office has become one of the larger financial offices in the county, Portell pointed out.

**Power of Judges**  
Judges, by law, have the power to determine the time and place of holding court, supervise the clerk's office insofar as an annual audit are concerned, and set court rules according to the laws of the state, he added.

"If this amendment should pass, it would make the judges the most powerful political body in the state of Illinois," Portell claimed. "At the present time they are powerful enough."

## Quad-City Injury Toll 32 in 17 of 27 Auto Mishaps

Thirty-two persons were injured in Quad-City area traffic accidents during the nine months of the year ending Sept. 30, 1966. The victims were hurt in 17 of 27 mishaps reported throughout the area, including two multiple-injury crashes in which a total of 12 persons were hurt.

Six persons, including three youngsters, were hurt about 5 p.m. Saturday in a two-car crash at Pontoon road and State 17-1/2. Charles Copeland, 70, of Rural Route One, who was admitted to the hospital with concussion and a cut near his right eye, was charged with failure to observe a stop sign.

Police said Copeland was going south on North street, while the other auto was being driven east on Pontoon road by Gerald Hodges, 23, of 22 Kasberg Park. Riding with Copeland was seven-year-old Michael Copeland, son of Mr. and Mrs. Jack Copeland, 4033 Maryville road. The boy was admitted to the hospital with abdominal pains.

Hodges also was hurt as were three passengers in his auto, his one-year-old daughter, Sheila, who suffered bruises to her back; Caroline Hodges, 19, and Janice Ellison, 14, of Glen Carbon, who sustained bruises to both knees.

**Six Persons Injured**  
Six persons were injured when an auto driven by Gerald P. Venice, 211 Abbott street, Venice, struck the rear left of another driven by Virginia McCullister, 39, of Belleville, who was driving on 21st street at the intersection of Namekiki road at Venice avenue at 1:10 a.m. Saturday.

Taken to St. Elizabeth Hospital were Mrs. McCullister and two passengers, Sharon, 14, and Lynn McCullister, 16, both of Belleville, and three passengers in the other car.

They were Gary Gates, 24, of 3317 Wilshire drive, who was admitted with a two-inch cut to the right forehead; Marcia Carpenter, 17, of 2544 Edwards street, was admitted with pains; and Greg Adams, 21, of 2255 Washington street.

## Bridge Rail Work To Cost \$155,000, Take Two Months

Repair of bridge railings on McKinley bridge which started Friday under a \$155,000 contract will require several months and will extend from the main span to Hall street on the west end of the bridge, members of the Venice city council were told in regular meeting Friday night.

Henry McMullin, bridge manager, said the contracting firm, S. Alberici Construction Co. of St. Louis, plans to complete repairs on the north side of the bridge in sections of about 300 feet at a time to avoid bracing too much bridge area. The south side repairs will not be started until all of the north rail replacements have been made.

The council authorized a partial payment of \$325 to the contracting firm during the meeting. Aldermen also approved a \$607 claim of Hardesty & Hardesty, engineers, for services in connection with the railing repair project.

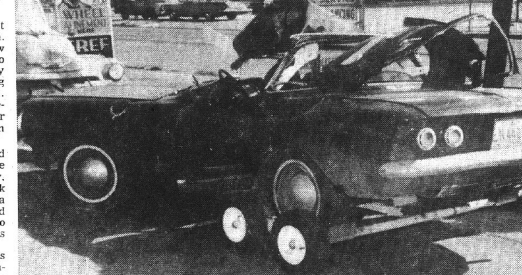

**Bridge Traffic Drops**  
McMullin told the council that it can expect reduction in bridge traffic during the repairs, and, consequently, in revenue.

## Traffic Injuries, Deaths in Quad-Cities Outstrip Ratios of State-Wide Crashes

The ratio of traffic accidents, injuries and fatalities in the Quad-City area is running far ahead of averages for the state of Illinois as a whole, it was shown today in a computation of statistics released by the Traffic Bureau of the Illinois Division of Highways.

During 1964 and 1965, the percentage of traffic injuries and fatalities in the Quad-City area, based on the number of accidents, was substantially greater than the percentage of injury and fatality cases resulting from accidents throughout the state during the two-year period.

What is more, the total number of accidents, persons injured and persons killed in the Quad-City area during the nine months of this year appears certain to set new records by the end of 1966 if the present rate of traffic mishaps continues for the remaining three months of the year.

**Fatalities Increase**  
Twenty-eight persons died as

the result of traffic accidents in the Quad-Cities from Jan. 1 through Sept. 30 this year. That already is an increase of five fatalities over the total of 23 persons killed in the Quad-Cities during the 12 months of last year, and represents 2.9% of the 1964 fatalities.

While these figures were an increase of 42,000 over the 261,167 Illinois accidents reported in 1964, and 11,381 over the 134,163 injuries for the 1964 year, the 225 fatalities of 1965 were only 49 more than the 2207 occurring in 1964.

On this basis, the state ratio of fatalities was 1.5% of those injured in 1965 Illinois accidents, as compared to 1.6% of those injured in 1964. The 1.6% fatality percentage of 1964 is noted as one-tenth of 1% higher than that of 1965, even the number of accidents and injury cases were much higher in 1965.

**Traffic Death Toll In Area**  
This Year . . . . . 31

persons injured in 1723 mishaps thus far in the year.

The statistical survey released by the state through the Department of Public Works and Buildings sets at 324,072 the total number of all accidents in Illinois during 1965. In those accidents 145,544 persons were injured, and

2256 or 1.5% were killed or died of their injuries.

While these figures were an increase of 42,000 over the 261,167 Illinois accidents reported in 1964, and 11,381 over the 134,163 injuries for the 1964 year, the 225 fatalities of 1965 were only 49 more than the 2207 occurring in 1964.

**Quad-City Rate Higher**  
In comparison, the Quad-City area had a total of 270 traffic accidents in 1965 with 1149 persons injured. Of the injured, 23 victims, or 2%, were killed. Percentage-wise, this was unchanged

## AAUW Honors Dr. Koch with Membership

Dr. Felicia Koch, who is Illinois Mother of the Year, was honored in absentia Thursday evening by the American Association of University Women with a membership in the AAUW.

Accepting the honor for Dr. Koch were two daughters, Mickey and Felicia. The presentation was by Mrs. Hugh Foster, AAUW president, before 30 members and guests who met at the First Baptist Church. Dr. Koch received her BS and MD degrees from Loyola University, Chicago.

The speaker for the evening was Dr. George Arnold, chief of the St. Louis county Health Department, who spoke on air pollution. Dr. Arnold recently returned from the 1200-delegate Clean Air Conference in London.

Other guests were Dr. Alice Rector of Carbondale, state AAUW president, and Mrs. Vernon Weber of Edwardsville, state board area consultant.

Two new members introduced were Mrs. John Newlin and Mrs. Gilbert Singleton. Mrs. Foster explained that any woman having a degree from a qualified university and who is in any profession is eligible to join. Miss Marguerite Barker is membership chairman.

The AAUW is making plans for the Nov. 19 meeting with a luncheon at Clifton Terrace and a tour of the Principia College science department. This year's study is "Science, Law and the Citizen."

To raise funds for the Granite City Scholarship Foundation, AAUW members will be selling stationery featuring a picture of the new Granite City post office. Mrs. Alfred Page is chairman for the project.

### Neon Tubing Broken

Mrs. Andrew Yurko of York's market, 2800 Marshall avenue, reported at 4:35 p.m. Friday that during the past few days vandals broke the tubing in a neon sign at the store.

Masqueraders participating in the annual, community-wide Halloween parade and costume judging contest next Monday evening will be eligible for cash prizes in three categories with a special award to be made to the best dressed group, Clarence Meyenberger, parade chairman, reports today.

The parade, will start at 7 p.m. Monday at the city hall and will be sponsored by Granite City Moose Lodge 272 and the Downtown Granite City Shopping Center Merchants.

Meyenberger said the parade will form in front of city hall on Niedringhaus avenue, proceed east to State street, south on State to 19th street, west on 19th street to Niedringhaus avenue then east on Niedringhaus back to the city hall, where prizes will be awarded.

The amount of the cash awards has not yet been determined, the chairman said. However, he added, prizes will be given to first, second and third place winners in the following categories: Best dressed; most comical; and most original. The special cash awards will be presented to the best dressed group of persons among the paraders.

## Next Thursday will Be National 'Navy Day'

Charles Lorentz, 1511 Lindell blvd., Navy reserve recruiter here is reminding all Navy men and Navy veterans that Thursday will be Navy Day throughout the U. S.

While no special observance is planned for the Quad-Cities, Lorentz, who is an Ordnance Corps first class, with a reserve squadron, an anti-submarine unit at the Glenview, Ill., Naval Air Station, said he is calling upon former reservists to join up again.

Lorentz is a world war II veteran and is employed at a St. Louis chemical firm.

## MORE ABOUT Traffic Injuries

From 1964 when there were 2260 accidents in the Quad-City area, with 1153 persons injured. Twenty-four persons, or 2% of the injured, died that year.

So far this year, however, there have been 1732 accidents reported in the area. In these, 1004 persons have been injured, 28 of them or 2.8%, dying of their injuries.

On the basis of reports during the nine-month period in the Quad-City area, this is an average of 192 accidents, 111 persons injured and 3 fatalities per month. If the same ratio persists during the remaining three months of 1966—all winter time driving months—the totals would reach 2304 accidents with 1332 persons injured and 36 fatalities.

The ratio of injury cases based on the number of accidents, also is higher in the Quad-Cities than similarly computed state ratios. The 145,544 persons injured in Illinois during 1965 is 44% of the total number of 324,072 accidents.

### Injury Rate High

But in the Quad-Cities, the 1149 persons injured in 1965 is 50% of the total of 2270 accidents.

On a similar basis, the 134,163 persons injured throughout the state in 1964 is 47% of the 283,164 mishaps that year, while in the Quad-Cities the 1133 persons injured in 1964 is 51% of the total of 2260 accidents that year.

No statistics are included in the state report on accidents occurring during 1966, but local records for the Quad-Cities show that that 1004 persons injured in the nine months of the current year is 50% of 1732 accidents reported so far.

The Illinois statistical report covering the 1965 and 1964 years, lists a total of 820 accidents, 407 persons injured and seven fatalities in Granite City in 1965, compared to 757 accidents, 444 injured and three fatalities in 1964.

Madison is credited with 197 accidents, 58 injuries and no fatalities in 1965, and 142 accidents, 58 injuries and two fatalities in 1964. Venice is listed with 117 accidents, 58 injuries and no fatalities in 1965, compared to 99 accidents, 80 injuries and two fatalities in 1964.

### County Deaths Down

The report shows a total of 5712 accidents in Madison county during 1965, with 3477 injuries and 68 persons killed. For 1964, the county is credited with 5003 accidents, 3487 injuries and 85 fatalities.

The state report shows in a breakdown of the causes, locations and time of traffic accidents that by far the greater number of accidents occur on Fridays and Saturdays, in comparison with other days of the week. Of the 324,072 accidents occurring during the 1965 year, the report shows, 55,982 occurred on Fridays and 56,418 occurred on Saturdays.

Monday was the lightest day of the week with 40,193 accidents occurring on that day. Thursdays were third in line for the largest number of accidents, 46,374 mishaps occurring on that day throughout the year. Sunday was fourth with 42,519 accidents; Tuesdays, 41,538 accidents; and Wednesdays, 41,028 accidents.

### Driver Ages Listed

Drivers in the 20 to 24 and 34 to 39 age bracket were responsible for the greatest number of fatal accidents in the state last year, according to the report. Drivers

## Brink Promoted; Paul J. Kemp New Manager at A. O. Smith

Paul J. Kemp has been named new manager of A. O. Smith Corporation's automotive frame producing plant here. He arrived last week.

He succeeds Nicholas R. Brink, manager since January 1961, who has been promoted to director of manufacturing and engineering services for both A. O. Smith's Consumer Products group and for its rapidly growing subsidiary, A. O. Smith Harvestore Products.

In his new post, Brink will be responsible for all manufacturing operations at the consumer products plant in Kankakee, Ill., and Harvestore plants in Kankakee, and Elkhorn, Wisc. He will be headquartered in Kankakee, his home town.

In addition, Robert C. Hess has been named to a new position as assistant plant manager at Granite City. He has been manufacturing manager since October 1964.

Kemp, who has been with A. O. Smith 19 years, has been a frame assembly division superintendent for the company in Milwaukee since November, 1961.

As such, he has headed up the automotive division's South plant in Milwaukee which assembles frames for Cadillac, Oldsmobile, Pontiac and Buick.

Before that he was a division superintendent for A. O. Smith's truck frame and wheel suspension control arm divisions, also at Milwaukee. His early posts with A. O. Smith were as automotive division manager of production control and as chief inspector.

Kemp, 44, joined A. O. Smith as a management trainee after graduating as a mechanical en-

gineer in 1947 from Marquette University, Milwaukee. He later completed the middle management program of the Harvard Graduate School of Business Administration.

Brink, who joined A. O. Smith in October 1955, held management posts in the company's consumer products division—the nation's largest producer of water heaters and water heating equipment—before coming to Granite City. He was manufacturing superintendent at the Consumer Products division's former plant in Newark, California, from 1959 to 1961, and a production superintendent for heating products at the division's Kankakee plant from 1955 to 1959.

Local Civic Leader  
Brink, 53, is presently serving his second term as president of

the Manufacturers' Association of the Tri-Cities. He is also a director of that organization and a director of the Tri-Cities Chamber of Commerce, a director and treasurer of the Cahokia Mounds Council of the Boy Scouts of America and is a member of the executive committee of the Southern Division of the Illinois Manufacturers' Association.

He is also serving his second term as president of the Madison County Mental Health Society Quad-Cities Center. In 1962 and 1963 he was president of the Tri-Cities Area United Fund, and has continued as a director. This year he was chairman of the United States Savings Bond Campaign for the Quad-Cities. He is a member of the board of the Granite City Trust & Savings Bank.

at 18 Miami court, Granite City. The couple has two children, Ronald, 24, and George, 21.

Kemp and his wife, Mary, have seven children, ages 1½ to 12, including two sets of twins. The family presently lives in Milwaukee, but Kemp will be moving to the Granite City area.

Hess, 41, is a 1951 business administration graduate of Marquette University. He joined A. O. Smith immediately following his graduation and has held production control, manufacturing and sales positions at Milwaukee and Granite City. He and his wife, Margaret, have seven children, ages 2 to 20. The family lives at 15 Bellvue Acres, Normandy, Mo.

The Granite City plant, consisting of 390,000 square feet, employs about 1500 persons.

and treasurer to succeed themselves, this restrictive law was originally placed in the state statutes because the sheriffs in small counties also are tax collectors," Portell said.

Financial, Political Power  
"In large counties such as this, a county treasurer could guarantee any bank a substantial fund at all times and also become a financial and political power."

Portell said a public official should speak out to the voters on his convictions of other issues.

"In the same election there is a revenue article amendment, and if the people of the state were to read this same revenue article in its entirety, as well as the sheriff and treasurer succession issue, they would find the trickiest wording that they have ever read."

"I am also against the revenue article, as I believe the taxpayers in the state should have a more clear and understanding explanation on the articles they are asked to vote upon," he concluded.

## Local Scuba Divers Plan Annual Dinner

Plans were completed over the weekend for the annual dinner meeting of the Bubblemasters Scuba Diving Club of Granite City to be held Saturday, Nov. 5, at Sunset Hill Holiday Inn. The affair will be jointly sponsored with the Alton Masketers Diving Club.

A buffet-style dinner at 7:30 p.m. will be followed with dancing to "The Sociables" from 9 p.m. to 1 a.m. Reservations at \$5.75 per person may be made with Mrs. Mary Brannan of Granite City.

The local divers also plan to conduct a short business meeting, prior to the dinner hour.

Dr. Douglas is an educator, author, lecturer, public relations consultant, government advisor and a member of the District of Columbia and the United States Supreme Court bars. He spoke at 1:30 p.m. in the recreation hall following a luncheon, musical entertainment and other talks given by hospital personnel during the morning.

## Volunteers Needed to Aid Staff at County Museum

The October meeting of the "Friends of the Museum" was held Thursday at the Madison County Museum in Edwardsville

and issued an appeal to county residents to serve as volunteers at the museum.

Mrs. Charles Tuzhorm was in the absence of Mrs. William Delicate, chairman, and coffee and rolls were served before the meeting. Several committees reported that Mrs. Louise Ahrens, Museum superintendent, reviewed recent operations. She asked that large groups wishing to tour the Museum might be scheduled through the year, rather than being concentrated in the spring season.

Mrs. Austin Lewis of Madison, president of the Madison County Historical Society, gave a report and announced that there would be a special Christmas-time display. She also announced that a quantity of note paper bearing pictures of historical landmarks would be for sale.

The workshop planned prior to the death of A. Edson Smith will be rescheduled for the spring and a Madison county history is to be published for the use of school children in grades four through seven. The co-authors are Donald Lewis and Irving Dillard, members of the board of directors of the Madison County Historical Society.

As last year, a quilt and antique coverlet exhibit is being planned for November. Miss Viola Voss reported on the meeting of the State Historical Societies in Freeport earlier in the month. The museum has received a gift of \$1000 from the estate of Edna Weir. The money will be used in restoration of an upstairs bedroom.

The Museum hours are 9 a.m. to noon and 1 p.m. to 5 p.m. on Wednesday and Friday; 1 p.m. to 5 p.m. Saturday and 2 p.m. to 5 p.m. on Sunday. Mrs. Ruby Harris is assistant superintendent of the Museum.

## Juvenile Home Parkview Topic

James Reidelberger, chief probation officer of the Third Judicial Circuit, was principal speaker at the October meeting of the Parkview school PTA Thursday night urging support of the Madison county juvenile detention home proposal on the Nov. 8 ballot.

Dr. Ralph Murray explained the county mental health tax, and PTA President William F. Winter discussed a third Nov. 8 ballot, the proposed new Revenue Article of the Illinois constitution.

The Eagles' kitchen band entertained a gathering of 100 parents and children. Later, the youngsters viewed motion pictures.

Tentative bylaws were distributed and a tentative budget for 1966-67 was read. A report was given on the Granite City Area PTA Council meeting held this month at Parkview.

Announcements included a meeting Thursday night, Oct. 27, at Parkview for parents of boys of cub scout age; a PTA-sponsored spaghetti supper from 5 p.m. to 7:30 p.m. Wednesday, Nov. 9, at the school; and public dedication of Parkview school during November.

The PTA board will meet at 7 p.m. Tuesday, Nov. 8, and the next membership meeting will be at 7 p.m. Thursday, Nov. 17.

Home-baked refreshments were served by room mothers of the upper intermediate classes taught by William Brinkhoff and William Breidenbach.

## Watsons Observe 56th Anniversary

The 56th wedding anniversary of Mr. and Mrs. Gilbert Watson, 2803 Palmer avenue, was the occasion for a celebration Sunday afternoon from two until four o'clock at the home of their son-in-law and daughter, Mr. and Mrs. Harold Primm.

A buffet meal was served from a table decorated with chrysanthemums in autumn shades of russet and gold and centered with an anniversary cake adorned with yellow roses and bells encircled with gold leaves. At either end of the table were tall green candles in crystal holders. Autumn flowers and foliage were also about the room.

Those attending were Mr. and Mrs. Larry Niepert and children Lori, Linda, Penny and Jeffrey of Edwardsville, Mr. and Mrs. Richard Momphad and son Ricky of Florissant, Mo., Mr. and Mrs. William Sciarini, and the guests of honor.

The Watsons celebrated their golden wedding anniversary six years ago. They have resided here since 1929. Before retiring Mr. Watson was employed by the East Side Levee and Sanitary District.

## Welcome Unit to Resume Meetings

The Welcome Wagon club of Granite City will hold its first meeting of the fall Tuesday at 7:45 p.m. at Neiderhous Methodist Church.

Mrs. Myrtle Hackney, president, will conduct the meeting and guest speaker will be Miss Eulalia Hoiz, county clerk of Madison county. She will speak on voting and voter registration.

Mrs. Nina Bigley, a former hostess for the club, and the new hostess, Mrs. Dixie Griffin, will be present. Mrs. Griffin has just returned from a five-day training school in Memphis, Tenn.

The club plans to meet in a different church each month to further acquaint new residents of this area with the city. All new residents and former club members are being invited to attend.

During a social hour, games will be played and refreshments served. Any one needing transportation to the meeting may call Mrs. Hackney.

New committee members introduced were John Crown, treasurer; James Garris, Webel leader; and Walter Kello. Den Two presented a skit entitled "Fire Prevention," following the opening ceremony by Den Two. Den One had the closing ceremony and refreshments were served by Den Four.

New members introduced with their parents were John Moulder, Tom Cunningham, George Lyons, Frank Holmes, Timmy Nichols and Ronnie and Donnie Williams. Awards were made to George Wilkins, silver arrow; Scott McRaven, two silver arrows; and Kevin Crown, gold arrow. Michael Kalot, lion badge; and Bruce Knobloch and Charles Bennington, silver arrows. Plans were made for a Christmas party to be held in December. The next Pack meeting will take place Nov. 17.

## Altar Society Elects Officers

Officers for the coming season were elected by the Altar Society of Sacred Heart Church at a meeting Thursday evening in the school cafeteria. Elected were: Mrs. Patricia Cooper, president; Mrs. Rosemary Holgrave and Mrs. Gladys Kolsher, first and second vice-presidents; Mrs. Irene Argel, secretary; and Mrs. Rose Juhasz, treasurer.

Mrs. Gail Gargis, a retiring president, opened the meeting with prayer and the group discussed plans for the annual fall festival which is to be held this year on Nov. 13 in the cafeteria.

A chicken dinner will be served, beginning at 11 a.m. and carryout orders will also be available. There will be booths with various articles for sale and entertainment. The public is invited to attend.

Sister Sylvester's room was winner of the prize for attendance and the prize of the evening went to Mrs. Marge Greenorden. Thirty-five members attended the meeting.

## Club Hears Talk On Antiques

Mrs. Alex Gitchco, 8 Frontenac lane, was hostess to the Minerva Women's Club at a meeting in her home Thursday evening.

Mrs. Patrick Busch, president, conducted a brief business session, and the meeting was given by Mrs. Udel Bischoff, who spoke on "Antiques," stressing the value to the collector of china and glass.

Others present were Mesdames Earl Benoit, Louis Brusatti, William Burck, William Guff, David Evans, Charles Goff, William Hodge, Stanley Hoffman, Charles Kohl, Frank Kraus, Jerry Lorenz, Earl McClanahan, Harold Mercer, Kurt Merz, Keith Parker, Kenneth Rapp, Clem Rehagen, Alex Tarpoff, Billy Terrell, Charles Weiss and a guest, Mrs. Elizabeth Smith of St. Louis.

Refreshments were served by the hostess who carried out a Halloween theme in the appointments.

## Miss Pamela Sue Ahring Is Bride of Stephen Line

St. Joseph's Catholic Church was the scene of the wedding Saturday afternoon of Miss Pamela Sue Ahring, a daughter of Mr. and Mrs. Charles Ahring, 2229 Cleveland Blvd., and Stephen Dennis Line, whose parents are Mr. and Mrs. Stephen W. Line, 2101 Woodman Avenue.

The ceremony was performed at 2 o'clock by the Rev. Philip Craft, and a reception for the immediate families was held at the home of the bride directly afterward.

Arrangements of white chrysanthemums and gladioli decorated the altar. Mrs. Francis Judd presided at the organ and accompanied the vocalist, Mrs. Ann Pieper.

The bride's gown was designed with a bodice of embroidered Alencon lace over English net trimmed with seed pearls. The off-shoulder neckline was framed in scalloped lace and the skirt of tulle terminated in a train.

A shoulder-length veil of silk illusion was held in place with a headpiece of lace petals and silk organs. White carnations and orchids were combined in the bridal bouquet.

Miss Linda Ahring was her sister's only attendant. The bridegroom's father served as best man; and a brother of the bride,

Harry A. Thebeau was winner of the "boss of the year" award for 1966-67 Thursday evening at the third annual Boss Night dinner of the Tri-Cities Chapter of The National Secretaries Association (International) at the Elk's Club.

Presenting the award was Charles P. Whitehead, former president of General Steel Industries, Inc., who was the "boss of the year" for 1964-65. The 1966-67 "boss," Nicholas R. Brink, plant manager of the A. O. Smith Corp., was unable to attend due to a prior commitment.

The new "boss of the year" operates a State Farm Insurance agency at 1511 Fifth street, Madison.

More than fifty secretaries and "bosses" were welcomed at this year's dinner by Mrs. Helen Gieselmann club president. The theme was "A Beatnik Bash."

Miss Twila Edmonds, this year's chairman, served as mistress of ceremonies. On the committee with her were Miss Jane Davis, Mrs. Sharon Diamond, Mrs. Jean Hileman, Mrs. Hilda Melton and Mrs. Faye Mercer. Berets and sun glasses were distributed to all present.

Entertainment during the evening was furnished by "Veronim and his Six Hubs," a musical group composed of Miss Edmonds, Mrs. Gieselmann, Mrs. Melton, Mrs. Garry Hoover, Mrs. Diamond, Mrs. Mary Seidel, and all members of the Tri-City Chapter.

Mrs. Charlie Vunovic, CPS, spoke on the Certified Professional Secretary examination sponsored by The National Secretaries Association (International).

This is a two-day examination given each May at various examination centers around the country for graduates of the fall festival which is to be held this year on Nov. 13 in the cafeteria.

A chicken dinner will be served, beginning at 11 a.m. and carryout orders will also be available. There will be booths with various articles for sale and entertainment. The public is invited to attend.

Any secretary interested in further details can receive full information by writing Mrs. Shirley Schwendemann c/o Royal Crown Cola Co., Granite City, CPS chairman. Applications for the May 1967 examination must be submitted before Dec. 1.

The official magazine of The National Secretaries Association, with circulation of more than 25,000 secretaries nationally, recently featured the Tri-Cities Chapter in a special Kaleidoscope column, for their annual LACE Awards.

This is the original idea developed by the Tri-Cities Chapter which is given annually to a member elected by secret ballot. The four LACE qualities are: Liked by the members, Active in all projects, Co-operative in every way, and Enthusiastic about NSA.

The next dinner meeting of the chapter will be Thursday, Nov. 3, at the Howard Johnson restaurant, Collinsville.

## Project Liftoff Talk at Logan

The Logan school PTA on Thursday evening held its first meeting of the season in the school multi-purpose room.

Cub Pack Four presented the flags and led in the pledge of allegiance. Mrs. Eva Meier, principal, read the PTA prayer. The president, Mrs. Alma Burnett, introduced officers for the year and Mrs. Burnett, the six teachers. The speaker of the evening, Mrs. Ruth Lahr, was introduced by Mrs. Meier.

Mrs. Lahr, director of the Project Liftoff program, explained activities and goals of the project.

Mrs. Theresa Naylor, budget chairman, read the 1966-67 budget, and the membership approved it. Mrs. Meier announced that open house will be held at the school one night during American Education Week in November.

Mrs. Burnett announced the annual candy sale will be during the week of Nov. 7. Prizes awarded to the rooms selling the greatest amount of candy will be: first prize, \$15; second, \$10; and third, \$5.

Rev. David Bruce Maxton of First United Presbyterian Church spoke in favor of the tax for mental health program on Nov. 8 ballot. James Reynolds, cubmaster, announced a candy sale now in progress by the cub scouts.

Next regular meeting of the PTA will be a musical program for Christmas on Dec. 15. Refreshments were served to approximately 65 by the fourth grade room mothers.

## Warriors Lose a Squeaker To 'Last Minute' Flyers 14-13

"We outbit them, and we outplayed them, but they outsped us," Coach Jim Morrison said after his Granite City Warriors gave a scare to the undefeated East St. Louis Flyers, who came from behind to squeeze out a 14-13 victory in the last two minutes of play in Friday night's game at Parsons Field.

Leading 13-7 in the final minutes, the Warriors were in a futile effort to run out the clock

when they were faced with a fourth and five situation on their own 33.

Punter Terry Moore lifted a high spiral which carried to the Flyers' 23. Showing a fine display of broken field running, Flyer Jerry Bell traveled 87 yards for the equalizing touchdown.

Gary Rohr booted the ball through the uprights, and East Side fans went wild.

The first score of the hard-fought battle was late in the third quarter with five minutes remaining. The Flyers marched 41 yards through Warrior territory and scored the initial six points on a two-yard sneak up the middle by Quarterback Steve Darrt. Gary Rohr added the extra point.

**Warriors on Warpath**  
Tension mounted in the hearts of the Fighting Warriors as the Flyers' jumped into the lead 7-0. Warrior quarterback Steve Conway showed great poise despite a tender left ankle. With the ball on their 41, Granite began to move. Conway hit Moore for 11 yards for a first down on the Warrior 29.

After an incomplete pass, Conway faked back and found halfback Rich White in the flats for a first down on the 13. Moore, taking left and then going right, was all alone in the end zones as Conway lofted the ball into Moore's waiting arms.

Partney added the extra point and at this point of the contest a 7-7 deadlock prevailed.

In the waning minutes of the third period, East Side's drive

was stopped by a highly spirited Warrior defense. With a 4th and 4 situation, East St. Louis punter Gary Rohr, who usually gets good blocking protection, was swamped as the Warrior defense moved in for the block.

**Moore in Open**  
With a first and ten situation on the East Side 27, Conway again found Moore open.

Moore grabbed at the ball and made an outstanding catch to the seven.

Conway handed off to Partney. Sticking to the running game, Conway handed to Laws, who went off tackle to the three.

Faced with an important 3rd and three, Conway gave to "Bulldog" Partney, who snaked up the middle for the big score.

Partney's kick for the extra point was wide to the left as the Warriors carried a 13-7 edge in the final period of play.

East Side injuries included star defensive end David Bayless and defensive left end Ben Washington. Granite City quarterback Steve Conway with an injured left ankle and star end Terry Moore with a very tender back were the Warriors only casualties.

Offensive line coach Stan Wojcik commented, "There were two plays that beat us, the excellent fake to Partney and the subsequent give to Paoli, however the official blew the whistle claiming Partney's knee touched, and another when the same official didn't call a roughing the kicker penalty when Moore was maled in the fourth period."

Added Coach Morrison, "The great secret of high school football is to come to play, and we came to play!"

## Park District Cage Meeting On Thursday

Harold Brown, Granite City park district superintendent, announced today that the first organizational meeting for coaches and team managers of the districts 1966-67 basketball leagues will be held Thursday, Oct. 27, at 7 p.m. in the district office at Wilson Park.

Teams wanting to enter the Classic, Class B Church and High School leagues must have their coaches or team managers attend the meeting. Brown told the Press-Record.

During the meeting, team rosters and entry forms will be given out by Leon Chappell, park district athletic director, who will be in charge.

Entry fees for the different leagues are: \$40 for the Classic, Class "B" and Church leagues, and \$20 for the High School league. An additional \$5 will be charged all entering team members who are not residents of the park district.

The deadline for turning in roster forms and fee payment is Tuesday, Nov. 15.

Park district league play will begin Monday, Nov. 28.

**Fall Behind 2-14**  
Dominating a ground game which Trojan Coach Glenn Pickering said he "had not counted on," Madison had drilled on the second Madison TD. Mary Pass defense-Roxana jumped ahead of the Trojans 21-0 in the first quarter, cashing in on long drives.

Shells racking up touchdowns were Fullback Tim Nunn on a 11-yard run, Halfback David Wilson on a two-yard plunge and Halfback Randy Stormer on a 17-yard run. In the second period, the Trojans drove to the Shell's 17-yard-line with successful carries by Ron Burt and Sam Jones, but had to give up the ball after a fourth-down pass intended for Jones fell short.

Madison later gained good field position by advancing a kick to minutes in the game. Burt's own 43. Quarterback Steve Geroff at this point pitched a long pass to End Joe Collins, who was stoned only several yards short of the goal.

**Trojan Runners Top Triad 28-30**  
The Madison high school cross-country team, which finished last in the Western Conference meet held last Tuesday, ran against Triad, the conference champion, on Nov. 25-26 at Madison Thursday.

**Prather Blitzed By Edwardsville**  
With Edwardsville blocking two punts and recovering a fumble on Prather's 30-yard line, scoring off all three maneuvers in the first quarter, Prather junior high could not recover and lost 39-0 at Edwardsville Thursday.

Prather Coach Ray Fynka said the team could not rally from the 20-point lead Edwardsville gained in the first quarter. Prather will meet Coolidge next on the Granite City high school football field Thursday at 7 p.m.

## Scoring Explosion By Shells Wrecks Trojan Team 47-26

Victim of one of three scoring explosions in the Midwestern Conference this weekend, Madison high school griders fell to fifth place in the league title game as a result of losing 47-26 to Roxana here Friday night.

Cahokia preserved its unbeaten conference record by crushing the Trojans 34-0. The Trojans took over undisputed possession of second place with a 32-15 romp over Highland, now tied with Roxana for third place.

Madison, which will meet Highland next, is now 1-2 in the conference.

**Pass, Plunge Click**  
Shincoff passed 25 yards to Collins for a Trojan touchdown and the extra point kick was blocked. After Madison kicked off, the Shells, Wilson ran 85 yards for his second TD of the game and his team's fourth score.

Roxana scored again before the Trojans next got on the scoreboard. Ron Kerr carried the ball 55 yards for a TD to make it 34-7.

A pass play from Shipcoff to Titus Ship covered 57 yards for the second Madison TD. Mary Pass defense-Roxana jumped ahead of the Trojans 21-0 in the first quarter, cashing in on long drives.

Roxana scored again before the Trojans next got on the scoreboard. Ron Kerr carried the ball 55 yards for a TD to make it 34-7.

A pass play from Shipcoff to Titus Ship covered 57 yards for the second Madison TD. Mary Pass defense-Roxana jumped ahead of the Trojans 21-0 in the first quarter, cashing in on long drives.

Shells racking up touchdowns were Fullback Tim Nunn on a 11-yard run, Halfback David Wilson on a two-yard plunge and Halfback Randy Stormer on a 17-yard run. In the second period, the Trojans drove to the Shell's 17-yard-line with successful carries by Ron Burt and Sam Jones, but had to give up the ball after a fourth-down pass intended for Jones fell short.

Madison later gained good field position by advancing a kick to minutes in the game. Burt's own 43. Quarterback Steve Geroff at this point pitched a long pass to End Joe Collins, who was stoned only several yards short of the goal.

**Pass, Plunge Click**  
Shincoff passed 25 yards to Collins for a Trojan touchdown and the extra point kick was blocked. After Madison kicked off, the Shells, Wilson ran 85 yards for his second TD of the game and his team's fourth score.

ports the Granite City high school

athletic program. Membership is

open to all interested sports en-

thusiasts.

Lloyd Whitworth, Booster pres-

ident, said today that James

Morrison, GCHS' head football

mentor, and members of the

coaching staff will be on hand to

narrate the game films. Boost-

er officials are hoping for a good

turnout of all local football fans,

he added.

# Iowa Grid Coach

## Makes Prediction

Bob Watson, head defensive coach for the University of Iowa's varsity football squad, prophesied recently that John Evenden, former Granite City Warrior, could become one of the all-time great Iowa linemen.

Evenden, who had been switched from the Iowa offense to defensive left tackle seven days prior to the Big Ten team's opener, went from No. 3 offensive tackle to No. 1 defensive tackle in the switch. The position was supposed to have been filled by letterman John Diehl, but a shoulder injury of the first day of practice put Diehl out for the season.

Coach Watson said the 250-pound lineman made the switch from offense to defense as fast as anyone he ever coached.

In an interview with Watson, Evenden said he has had to make adjustments for defense, extending as far as the theory of play.

He added, "You don't just get on the other side of the ball, you have to change your thinking, your moves, and your instincts."

Evenden, who has played every game this season, has been cited by Head Coach Ray Nagel for showing aggressiveness and hustle without too much benefit from his coaching.

Iowa, who is 1-5 this season, will next play the University of Indiana at Iowa City on Oct. 29.

## SIU-SW Dormitories Possible Next Spring

Plans by a group of private developers of Decatur, Ill., for construction of dormitories for students at Southern Illinois University-Southwestern Campus were revealed Friday, simultaneous with claims that housing facilities for a resident student body are imperative to the future growth and autonomy of the Southwestern campus.

Alvin G. Schaefer of St. Louis road, Edwardsville, said he has signed a purchase agreement with a representative from Decatur for nine acres of property on Route 157 about a quarter of a mile west of the Edwardsville high school. He said he was told the property was to be used for construction next spring of one or two housing units, each capable of housing 100 students. Current plans call for construction of up to six housing units for 100 students each as the demand justifies, Schaefer said he was told.

A special use permit for construction of housing for SIU-SW Campus students on the property was granted by the Edwardsville city council last week. Sale of the property was dependent upon granting of the permit, Schaefer said. The nine-acre tract is vacant except for the residence in which Schaefer lives. Schaefer said that under a verbal agreement he is to remain on the premises until next spring.

William Burcky, coordinator of housing at the SIU-SW campus, said he has not been informed by any group of plans to build dormitories near the campus.

At the same time, Dr. George R. Mace, president of the Edwardsville chapter of the American Association of University Professors and assistant professor of Government at the Southwestern Campus, said that growth of the university and the community is the primary reason for building dormitories and transforming the local campus into a separate institution.

The matter of future growth outrisps the problems of low faculty morale as a reason for making the Southwestern Campus independent of the Carbonade educational institution, he added. Construction of dormitories which would provide a resident student body would contribute not only to growth but would facilitate the move for independence, he said.

Approximately 125 members of the Southwestern Campus faculty belong to the AAUP which does not prisms the largest single group of university professors in the country. Mace said he knows of no one on the faculty that does not support construction of dormitories or autonomy of the new campus.

## Cultural Growth a Must

"Physical growth," Mace said, "is not in itself a good thing, but

## Boy Scout Troop to be Organized in Madison

An organizational meeting for new Boy Scout Troop 21, sponsored by the Grenache Association, will be held at 7 p.m. in Louis Baer school in Madison, it was announced Friday by the scoutmaster, Charles Payne. Boys 11 years of age and older interested in scouting, and their parents, are invited to attend the meeting. "This is a brand new troop, and during the meeting we'll outline all phases of scouting," Payne said.

the obligation of the university is to provide educational opportunities to as many students as possible." At the same time, he said, cultural growth is an absolute "must."

He pointed out that one major problem faced by the faculty at Southwestern campus is that "when it meets, it meets as one faculty and not as individual campus faculties."

"Yet the problems which confront us here at Edwardsville are not the same as those at Carbonade," he went on. "They are an established campus and we are a new one."

He said dormitories at the Southwestern Campus are needed for a variety of reasons.

Among the most important is the cultural exchange of ideas which are permitted for students who live on or near the campus. Students who drive long distances to classes, run out after classes and drive home, and thus are denied an opportunity to exchange ideas with others on campus. Many students who live 40 to 100 miles from the campus simply cannot attend because there is no housing.

"As a result, they go to Carbonade where dormitories are available, or somewhere else," Dr. Mace said.

## Truck Catches Fire

Firemen were called to 302 Kirkwood Homes at 11:30 p.m. Friday where the bed of a 1940 one-ton truck owned by Lacy Rushing, 4844 Warkness avenue, was on fire. The cause was undetermined.

## Speeding Charge Filed

Florence A. Coggins, Collinsville, was arrested at 10:35 a.m. Friday on a charge of speeding at 17th street and Madison avenue. She was summoned for a hearing by Nov. 4.

## Appeal Filed to Get Water for Wellington

An appeal to provide water for Wellington Heights subdivision directly through the East St. Louis & Interurban Water Co. was filed in Madison county circuit court Friday for Andrew Gasparovic III, serving as trustee for the subdivision.

The appeal came after a complaint was filed in the Illinois Commerce Commission was dismissed on Aug. 24 and a request for a rehearing was denied on Sept. 21. The formal complaint to the ICC was filed last Dec. 13. It showed that the subdivision is located in the Mitchell water district, and that negotiations with the district to furnish water failed. The subdivision interests wanted the district to return part of the costs of constructing water mains necessary to serve the division, but the district refused.

Gasparovic then attempted to contract with the East St. Louis & Interurban Water Co. to provide water. The utility agreed to do so if the Mitchell water district would agree to separate the subdivision area from its boundaries. But again the district refused to do so.

## N. R. Brink Resigns Mental Health Post

Resignation of Nicholas R. Brink as chairman of the Quad-City Mental Health Board was accepted Thursday night in a regular meeting of the board. Edwin Renske, vice-chairman, presided at the session. Board members expressed regret at Brink's resignation brought about by his promotion to a new position with A. O. Smith Corp. at Kankakee, Ill. Tentative plans for a membership drive were discussed among routine matters.

### TENTH BIRTHDAY OF PAM RODGERS

Pam Rodgers, daughter of Mr. and Mrs. Forrest Rodgers, 2320 Cardinal avenue, celebrated her tenth birthday Wednesday evening at a surprise party given by her parents.

All of the party decorations were in a pink and white theme, and all of the honoree's gifts were suspended from overhead by ribbons.

Guests were Pam's aunt and uncle, Mr. and Mrs. Chester Tator of Madison, her mother, Mrs. Rose Rodgers, and Mrs. Larry Arnold and sons, Larry, Michael, Debbie, Ruth and Pam Bird, Mr. and Mrs. Ronald Eaton sr. and Ronald Jr., Joy and Angela Pope, Rhonda Tina and Theresa Tanton, Rhonda Tanksley, Mark Jerome and Randall Boyer, Aaron, Don and Emily Mosser, Nancy Hoffman, Jennifer, Paul and Patrick Boyer, Cindy and Janet Heister, Jim Hall, Barbara and Joy Leider and Louie, Clifford and Doris Rodgers.

### MRS. LAVELLE CIRCLE HOSTESS

The Charmane Nichols circle of Suburban Baptist Church met at the home of Mrs. Carol LaVelle, 2419 Morrison road, Thursday evening.

The program opened with prayer by Mrs. Barbara Thebeau, and plans were made for a book study and pot luck supper Nov. 8 at the home of Mrs. Carol Peterson. "Modern Day Israel" was the subject of the program given by Mrs. Judy Mullins. Refreshments with a Halloween theme were served by the hostess to Mrs. Judy Sadler, Mrs. Elaine Stator, Mrs. Judy Mullins, Mrs. Sandra Cordie, Mrs. Jean Fisher and Mrs. Barbara Thebeau.

### PLAN HALLOWEEN PARTY

Junior Girl Scout Troop 704, sponsored by the Webster school PTA, met Friday afternoon at the school. The Secret Agent patrol opened the meeting with the pledge to the flag and the Girl Scout promise. Reports were read by the scribe, Sharon Emring, and treasurer, Dianne Emring.

Because there will be no school next Friday, the troop will meet at the leader's home from 4 until 6:30 p.m. for a winner roast and Halloween party. All of the girls decided to attend the party in costume.

The girls spent the remainder of the meeting working on their troop camper badge, making menus for a three-day campout and writing camp evaluations. The meeting closed with "Taps" by the Impossibles patrol.

Members of the troop present were Debra Bird, Ruth Bird, Kitty Chapline, Dianne Emring, Sharon Emring, Kathy Harrington, JoAnn Head, Karen Lee, Donna Sanders, Linda Sartin, Mary Sartin, Frances Welby, Vickie Welby and Kathy Wood. The leader of Troop 704 is Mrs. Pat Eaton.

### MRS. BIGGS ENTERTAINS

The Gadabout car club met Thursday evening at the home of Mrs. Inogene Biggs, 4017 Rode avenue.

Prizes for the high scores were won by Mrs. Emma Portell and Mrs. Marge Frazier. Low score prizes were won by Mrs. June Hickman and Mrs. Bert Hickman.

Refreshments were served by the hostess to Mrs. Helen Frazier, Mrs. Marge Frazier, Mrs. Delores Sanders, Mrs. Marion Cavins, Mrs. Emma Portell, Mrs. June Hickman, Mrs. Bert Hickman and Mrs. Eleanor James.

The group will meet at the home of Mrs. Cavins, 3315 Wash. avenue, next month.

## Corner Obstruction Removal Law Tight

An ordinance to eliminate any type of obstructions at corners that would block motorists' view is to be presented to the Granite City Council at its 8 o'clock meeting tonight.

The recommendation for removal of fences, bushes or any objects that would be hazardous to motor vehicle operators was recommended last week by the Traffic Study Commission. It would cover obstructions on private property.

Tonight's agenda is 2 1/2 pages long and includes two amendments—one to the salary increase ordinance to set the start in 1967 of the new double-time pay for work on a holiday rather than immediately, and the other to change the sick leave policy so that time lost from work due to a line-of-duty injury would not be deducted from the accumulated sick leave of an employee.

## 2nd Call for Bids For Postal Station In Nameoki Area

A second call for bids for construction of a Nameoki Station for the Granite City post office will go out Nov. 1. It was announced Friday by Cong. Melvin Price at his office in Washington.

Price said he was advised by the Post Office Department that the initial bids received last summer were rejected as being too expensive.

Bidders are asked to provide a bonding in the vicinity of the present temporary Nameoki Station at 3912 Nameoki road near the Nameoki road fire station.

The bid deadline will be Nov. 30, Price said.

The Post Office Department is seeking a five-year lease with two five-year renewal options on a building with 600 square feet of space inside, a platform with 40 square feet and parking area of 200 square feet.

Bid specifications may be obtained from William F. Record, Room 200, Post Office Building, 1701 Charleston avenue, Mattoon, Ill.

The old Nameoki station building, which was located across Nameoki road from the present temporary building, was razed for the Nameoki road widening project.

## Tickets Now Available For Bond Parents Supper

Tickets still are available for the annual fall "Sausage and Pancake Supper" to be sponsored by the Granite City High School Band Parents Association on Friday, Oct. 28, at 8 p.m. Thursday in the high school cafeteria, Mrs. Leonard Gertsch, project chairman said today.

She also is reminding those wishing to attend the event that this year for the first time, tickets will not be available at the time of the supper, but must be purchased in advance from a band student or members of the adult organization. Proceeds will be donated towards expenses of the 100-member band's 1966-67 out-of-state trip.

## Full Hearing Sought For Big D License

A formal hearing before the full board of the Madison county board of supervisors on an application for a county liquor license for the Big D tavern on Highway 162 is being sought, an attorney said today.

A license for Julian Baxter Wallace of Granite City, former manager of the tavern which is now closed, was denied a license by the liquor commission about two weeks ago.

Wallace's attorney said that a formal hearing has never been held. A hearing was set for Thursday morning and was attended by a group of objectors who reside in the area of the tavern, but the attorney said he had not been informed of the hearing.

As Wallace was not represented at the session, the hearing was not held. If unsuccessful with the county board, the attorney said he would file an appeal with the Illinois Liquor Control Commission.

Sheriff Barney Fraundorf has stated that he has received numerous complaints from residents of the area concerning the activities and clientele of the establishment in the past.

## Five Building Permits List \$40,330 Values

Five building permits listing values of \$40,330 were issued in Granite City during the third week of October, raising the totals so far to 38 permits with values of \$71,347.

A permit for a new home was issued to James Frey for a six-room, two-bath brick veneer at 15 Terrace lane to cost \$26,000. Economy Floor Co., 1909 Delmar avenue, received a permit to remodel the former Kalle hardware store at 1909 Delmar avenue at a cost of \$10,000.

The B. E. Hohl auto agency, 1877 Madison avenue, was issued a permit to erect three signs on the building and in the service department at a cost of \$1400. Permits for remodeling and repairs were obtained by Robert F. Webb, 2829 Birch avenue, enclosure patio, \$450, and Lerton Hunter, 2820 Ralph street, general repairs and install steel siding, \$1980.

## Driver Faces Two Chances

James M. Barnes, 2924 Willow avenue, was charged with a stop sign violation and with improper use of registration plates Thursday at St. Clair and Wayne avenues. He was summoned for a hearing by Nov. 4.

## AAA Traffic Authority Relates Cause of Accidents Involving Youngsters

Carefree youngsters running in the path of a passing vehicle, as opposed to vehicles running into the children, is the principal cause of traffic accidents involving elementary school-age students, Granite City optimists learned Thursday from Stanley Keesling, director of Traffic and Safety for the Automobile Club of Missouri.

A record attendance of 38 Optimist members was on hand to hear Keesling, who addressed the local men's service group at a luncheon meeting in the YMCA. Other guests included Thomas Reel, AAA director of Traffic Research, and Granite City Police Patrolman Gerald Pinkerton, who acknowledged the efforts of the club in preventing youth from becoming juvenile delinquents.

the crossing patrol program with the greatest degree of protection. Patrol belts and certificates of participation are furnished without cost to members of schoolboy patrols by the AAA organization, Keesling said. In addition, rainwear and protective helmets also are available through the club at nominal cost, he added.

The AAA Club has pursued its schoolboy patrols since 1923, interest in the development of

when the first patrols were organized in the Chicago areas, the director related.

Restoration on Patrols  
The automobile club official stressed that under state law, patrol boys and patrol girls are allowed to control only the movement of students crossing roads and other hazardous points. They are prohibited under the same law from giving any signal to halt or advance vehicular traf-

fic, he said.

Many children learn to play in the streets as infants," Keesling continued. "This presents a definite problem when the child enters the school and is exposed to heavier traffic in the vicinity of the school building."

Also creating doubt and indecisiveness in the young child's mind is the double standard presented him — being taught in school to cross only at designated crossings, while at the same time being encouraged to cross in the middle of a block when walking with his parents, the traffic safety specialist said.

Requirements of 1967  
Wheat Program Listed  
Benefits under the 1967 wheat program will include price support loans of \$1.25 per bushel on the entire wheat production of participating farms, except for stored wheat supplies, Lee Rogers, manager of the Madison county office of the Agricultural and Conservation Service, announced.

Rogers listed requirements farmers will have to meet to qualify for loans and wheat program payments. They include:

1. Sign up with the ASCS of the county during a period to be announced later.
2. Have a wheat acreage no larger than the farm allotment, or no larger than the acreage available for production.
3. Maintain the farm's conserving base which will be lower in 1967.
4. Keep within all other program allotments established for the participating farm.
5. Keep within the wheat allotment of "permitted" acreage on any other farm in which the producer has an interest.

Farm wheat allotments under the 1967 program have been increased to reflect the increase in the national wheat allotment. The total to be allocated to the U.S. Army strategic communications facility at Phu Lam, had left Oakland, Calif., on Oct. 6. He has been sent back in Saigon from Oct. 8.

A graduate of Assumption high school, East St. Louis, Pfc Clark attended St. Mary's Catholic School, Madison, where he was enrolled for one year at the Carondeau and Southwestern campuses of Southern Illinois University, prior to joining the Army in March.

School Burglar Finds  
'Crime Doesn't Pay'  
The old adage that crime doesn't pay was proven by a burglar whose loot in a school break-in at Venice was a poor return on his time and efforts.

According to a report by Venice police, the burglar climbed to the first floor of Blair school Thursday morning or early Friday morning, then crawled along the roof to an air conditioning panel leading into the teachers' lounge. He gained entry by pushing out the panel.

In the teachers' lounge he attempted to break open a soda machine and failed. In a search of several rooms he found a roll of 50 pennies in one, and about 70 cents in change in a desk in another.

He tried open the school key cabinet and obtained the key to the office. There, he punched out the lock of a desk from which he took about \$2.50 in change. Total loot—\$3.70.

### USDA Units Prepared For Emergency Service

The Madison County USDA Defense Board is prepared to aid farmers with fallout monitoring services, fire defense and protection of livestock and crops in the event of emergency arising from a nuclear disaster, according to Lee Rogers, chairman of the Agricultural Stabilization and Conservation Service and chairman of the defense board.

The American farmer would be needed to supply food to keep the economy going in the event of such a disaster, Rogers pointed out, and a major factor would be determination of the intensity of radiation on farms.

Under the direction of the

### Under GI Bill

## Vets in College Must Supply Attendance Data to VA

More than 6200 veterans attending college in Illinois under the new GI Bill began receiving Veterans Administration checks Oct. 20, many of them earlier than promised.

But veterans need not expect the good thing to continue unless they furnish VA with required school attendance records early each month. John B. Naser, manager of the VA Regional Office in Chicago, said today.

"In an effort to provide Fall term college enrollees with needed cash, VA waived for the first month only a requirement that attendance in classes be certified before payment," Naser said.

Instead, the first check were issued at the Data Processing Center in Hines on the basis of enrollment certificates sent in by the schools. On this basis, checks were mailed Oct. 20 to 104,532 veterans enrolled in the nation's schools, according to James Chestnut, director of the Data Center.

With each check was included a punchcard on which the veteran was instructed to certify class attendance up to the end of each month and to mail back to VA before the eighth of the following month. Checks can then be issued on the 20th of the same month. Payment is thus made for class work actually performed.

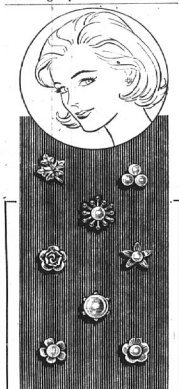

Naser emphasized that the veteran—not the school—is responsible for certifying attendance in class. The school completed its responsibility when it notified VA that the veterans had enrolled.

The manager emphasized the regulations in view of a survey just completed by his office. It was found that a number of veterans who had not sent in a complete attendance record for summer school—and consequently not yet fully paid—pleaded they did not understand the requirements.

"It's very simple," Naser said.

"If a veteran is going to college

under the new GI Bill, he has to tell VA each month about his attendance in class. Otherwise, he doesn't get paid."

### NINTH BIRTHDAY OF SANDRA SMITH

Sandra Smith observed her ninth birthday Saturday afternoon with a party given by her parents, Mr. and Mrs. Harry W. Smith, in their home, 867 Thorngate road.

Party games were played and those winning prizes were Connie Moreland, David Nicholas and Dawn Hart.

The party was held in the rathskeller, which was decorated in yellow and white. The dining table held a large decorated birthday cake, and each guest received party favors and hats. Others attending were Jackie Hart, Cathy and Larry Brown, Carole Draper, Mary Beth Katzman, Angela Moore and the honoree's sister and brother, Cheryl and Harry Smith.

### ANNOUNCE BIRTH OF SECOND CHILD

Mr. and Mrs. C. Allen Russell of Wailuku, Hawaii, are announcing the birth of their second child Oct. 6 at Kaiser Hospital in Hawaii.

The new arrival weighed eight pounds, one ounce, and has been named Suzanne Elaine. She is a two-year-old sister, Cathy Arlen.

Paternal grandparents are Mr. and Mrs. R. B. Russell, 1848 Spring avenue, and maternal grandparents are Mr. and Mrs. Earl Hughes of Anakuli, Hawaii.

### PARENT ACTIVITY NIGHT AT NAMEOKI SCHOOL

Parents and friends of students in Nameoki school met Thursday evening at the school for a weekly activity meeting. Volleyball, exercises and other indoor gym games were played during the evening. The group meets as a PTA project for parents only.

Those attending were Mrs. Melba Elmore, Mrs. Shirley Holman, Jerry Staton, Art LaVelle, William Jennings, Mr. and Mrs. Charles Cross, Mr. and Mrs. Wayne Price, Mr. and Mrs. Walt Volkmar, Mr. and Mrs. Charles Mace and Mr. and Mrs. Carl Cucatti.

Refreshments were served afterward in the home of Mr. and Mrs. LaVelle, 2419 Morrison road.

The activity session will be held each Thursday at the school from 7 to 9 p.m. for parents and friends living in the Nameoki school area.

MRS. CUVAR ENTERTAINS  
DOUBLE FIVE CLUB  
Mrs. Sandy Cuvlar entertained the Double Five club Wednesday evening for its monthly meeting in her home, 1 Del Rio drive.

Games were played and the evening's prize went to Mrs. Jo Ann Imboden. Following the games, Mrs. Elaine Parrish spoke on "Hints on Baby Care."

A dessert luncheon was served by the hostess. She used a fall theme in her table appointments, with an arrangement of bronze mums as centerpiece and lighted gold candles on either side. In other rooms of her home, she used Halloween decorations, including a large pumpkin and other Halloween characters.

Others present were Mesdames Lucretia Wright, Carmen Grider, Beverly McRaven, LaVerne Hammond and Dolores Zuglin. Mrs. Hammond invited the club to meet in her home, 2303 Woodlawn avenue, for its next meeting on Nov. 8.

PEACE LUTHERAN WOMEN'S GROUP MEETS  
Lutheran Women from Peace Lutheran Church on Stratford lane met Wednesday evening in the church fellowship hall for their October meeting.

Mrs. Carol Gendron opened the meeting with devotions, followed by the lesson presented by Mrs. Donna Johnson. She chose the life of Catherine Luther for her topic, and wore clothes depicting that era.

Mrs. Rachel Larsen, president, conducted the business meeting. She announced that the project for the November meeting will be collecting clothing and household goods to be given to a needy family.

A new member, Mrs. Nona Burris, was welcomed by the group. The next meeting will be held in the home of Mrs. Johnson on Nov. 16.

Refreshments were served by Mrs. Eloyious Kinder to those attending and Mesdames Barbara Wright and Inge Frandsen and Miss Mary Candler.

## School Board to Hear Gifted Program Report

Mrs. Sara Sowell, gifted program consultant of the Granite City school district, will review instruction for gifted students in a report to the Granite City school board Wednesday.

The 7:30 p.m. Wednesday public meeting also will include a report on the "initial teaching alphabet" at Parkview grade school by Mrs. Agnes Fryntko, principal, and Miss Mary Wiseman, a primary teacher.

The board will discuss the 1996 Illinois Association of School Boards meeting to be held in Chicago, and will award bids on library books, magazines, and window coverings.

Reports will be given on group insurance, maintenance, building risk insurance and Coudge junior high school cheerleaders.

### MRS. FAVIER HOSTESS TO SECRET PAIS CLUB

Mrs. Betty Favier was hostess to the Secret Pals club Friday evening in her home, 2140 Dawn place, for a monthly meeting.

The birthdays of Mrs. Favier and Mrs. Rita Blum were observed, with each club member and their secret pals presenting them with gifts.

Games were played, and those winning prizes were Mrs. Blum, Mrs. Donna Robert and Mrs. Shirley Bonau.

A Halloween decoration theme was used by the hostess. Favier served a buffet luncheon to those named and Mesdames Eva Krause, Mary Lou Eddleman, Sande Graycraft and Dorothy Shuppert.

In lieu of the next meeting, the club will gather at the home of Mrs. Shuppert, 2322 Dawn place, Nov. 12 and then attend a dinner party.

#### For Vietnam Duty

E. Charles T. Cape, U. S. Army, the son of Mr. and Mrs. Alva Cape, 4140 Highway 111, departed Friday for duty in Vietnam. His wife, the former Miss Mary Frances Jean of Lake Charles, La., will remain here with his parents while her husband is overseas.

A 1960 graduate of Granite City high school, Cape, 25, most recently has been assigned to training duties with ROTC Cadets at Ohio State University, Columbus, O. He enlisted in the Army nearly seven years ago and has served for 18 months in Japan, 18 months in Germany and at the Pentagon in Washington.

### Salvatore Cosentino, NLRB Director, Dies

Salvatore Cosentino, 58, of St. Louis, regional director of the National Labor Relations Board, died of cancer Saturday in Parkside Manor, St. Louis. He served as conciliator in a number of labor-management disputes in the Quad-Cities.

Cosentino had been with the NLRB 25 years and had lived in St. Louis eight years. He formerly served in the Buffalo, Baltimore and Puerto Rico regions. He received an award for outstanding performance from the NLRB in 1961.

He was born in Kansas City, Mo., and was reared an educated in Chicago where he received his law degree at Kent College. Funeral services are to be held Wednesday in St. Louis.

Charles Herman, 2300 Nameoki road, reported Thursday that four spinner hubcaps were stolen of his auto after 8 p.m. Tuesday. The car was parked at his home.

NATIONAL CONVENTION PLANNING being carried out by Mrs. George Eubanks (seated) of Granite City, president of the River Bluffs Girl Scout Council with Joseph L. Webb of East St. Louis, finance chairman for the council, and Mrs. E. E. Laumbattus of Marissa.

## Girl Scout Leaders at National Convention

Twelve adult members of the River Bluffs Girl Scout Council have been elected to represent the Girl Scouts as official delegates to the 27th meeting of the National Council of Girl Scouts of the U.S.A. being held in Detroit, Mich. The delegates will continue through Thursday.

The delegates include Mrs. George E. Eubanks, president, of Granite City; Joseph L. Webb, finance committee chairman, East St. Louis; Mrs. Charles F. Allen, vice-president, East St. Louis; Mrs. Kenneth Voland, district chairman, Belleville; Mrs. Edward L. Kapes, personnel committee chairman, Belleville; Mrs. Dale P. LeMasters, district chairman, East St. Louis; Mrs. Robert Richards, nominating committee member, Edwardsville; Mrs. John V. Waggoner, district chairman, Alton; Mrs. E. E. Laumbattus, cook-chair, Wood River; and Miss Veta G. Funderburk, executive director.

The River Bluffs Girl Scout Council delegation will join with representatives from 475 other Girl Scout councils throughout the United States to establish general lines of policy and direction for the Girl Scout movement, thereby affecting the activities of its almost 3 1/2 million members.

British Economist They will hear a keynote address by the noted British economist Barbara Ward, and will participate in, among others, a session projecting the world of 1980 and the place of Girl Scouting in that world.

Approximately 3500 delegates are expected to attend, together with almost 5000 observers and visitors. The theme is, "Girl Scouting—Values to Hold, Worlds to Explore."

Mrs. Eubanks, president, said, "I never cease to be amazed and delighted when I see the caliber of people who attend a Girl Scout convention. They are truly dedicated to the welfare of the girls of our country and they can always be counted on to plan with wisdom and foresight. I am proud that our Girl Scout council has elected me to represent them at this important meeting."

The official council delegation will be joined by thousands of other Girl Scout adults who will attend the FARM-CALL BERGFELD, GL 1-7540.

convention as visitors. They include: Mrs. John March, Belleville; Mrs. Edgar Votaw, Granite City; and Mrs. Ruby Jackson, Dorsey.

To Honor Mrs. Votaw Mrs. Votaw, who lives at 2705 Angela drive, has been chosen by the River Bluffs Girl Scout Council, as its success story personality, and she will be honored at a regional breakfast on Tuesday to be attended by delegates from Illinois, Wisconsin, Michigan and Indiana.

Mrs. Votaw is a member-at-large of the board of directors and also holds the post of chairman of Granite City District IV. In this position, she acts as co-ordinator of all the local units and is the link to the board.

Mrs. Eubanks pointed out that service opportunities have always been important to Mrs. Votaw, and one of the outstanding ones is the annual "bunny box" project which she heads each year. Girl Scouts from the Quad-City area decorate boxes, fill them with gifts and present them to patients in the Alton State Hospital at Easter.

This project has received commendation from the state and national Girl Scout headquarters. Many of the delegates and visitors plan to attend the numerous side events that will be held at various times during the convention. Mrs. Brinkmeyer will attend the roundup reunion breakfast for all who were campers or staff members at the Girl Scout roundups held in 1958, 1959, 1962 and 1965. Mrs. Brinkmeyer was a staff member at the 1965 roundup.

Mrs. Brinkmeyer, Mrs. Votaw, Mrs. Waggoner will attend the Yellow Ribbon dinner for those who are Girl Scout leaders and assistant leaders of currently active troops.

Oct. 31, in the recreation center. Treats will be served by club members, she said.

On Wednesday, Nov. 9, a clean-up, spruce-up drive will be initiated in the housing project. Walter Newson, who is to spearhead the campaign, reported that he will seek cooperation from all residents in the project.

Mrs. Annie Moore of the Madison County Housing Authority has been invited to attend the club's next meeting, Nov. 3. A question and answer session is planned.

Francis Accompanies Symington During Tour Terry L. Francis, Granite City attorney and a state vice-chairman of the campaign to re-elect U. S. Senator Paul H. Douglas, accompanied U. S. Senator Stuart Symington (D, Missouri) on a speaking tour of Illinois Friday. The auto and plane tour included a Madison county stop at East Alton.

Sen. Symington said Douglas should be re-elected because he is "the Senate's leading economic authority," adding that the three keys to the national security are military, diplomatic and economic, with the latter likely to loom increasingly large in the late 1960s. The balance of payments deficit poses a serious threat to the U. S., Symington asserted.

## Simon-Willaredt Nuptials In Setting of Candlelight

Miss Donna Faye Willaredt, daughter of Mr. and Mrs. William G. Willaredt, 20 Oaklawn drive, became the bride of Paul Donald Simon, son of Mr. and Mrs. Paul A. Simon, 4047 Stearns avenue, Saturday evening at St. John United Church of Christ.

Hurricane candelabra down the aisle, candelabra at the altar and bouquets of white pom poms on the altar provided the setting for the 7:30 ceremony performed by Rev. Paul Surbey.

Mrs. Isabelle Schmidt presided at the organ and accompanied the vocalist, Keith Curtis, as he sang the Lord's Prayer and "O Perfect Love."

A gown of pearl de sole designed with Capulet sleeves and double tiers of Venice lace was worn by the bride. It had traditional detachable sleeves and a scoop neckline trimmed across the bodice with the same lace.

A voluminous white tulle train enhanced with lace motifs swept from the slender silhouette and a bouffant shoulder-length veil was held in place with a coronet of sequins highlighted with tulle leaves.

The bride's bouquet consisted of gladiolus, swiss tubing and stephanotis. She was given in marriage by her father.

Mrs. Jeanne Fuhrman was matron of honor, serving with four bridesmaids, Mrs. Wayne Bryant, Mrs. Kenneth Blackburn, Mrs. Ruth A. Young, Mrs. Miss Kathleen Bravne, a cousin of the bride.

Except for color, their gowns were alike. They were made of imported chiffon over taffeta with controlled skirts, scooped necklines and elbow-length sleeves. Shaped panels held at the waists with roses of the fabric accented the backs and veils and large cabbage roses of silk organza were of the same fabric.

The honor attendants was in gold, and the bridesmaids wore mango and olive green. All of the attendants carried fall bouquets of cardones, wheat, gold pom poms and ribbons to match.

## Block Protection At St. Joseph's

Detective Joseph Nemeth of the Granite City police department was guest speaker at a monthly meeting of Parents and Friends of St. Joseph's Catholic school Thursday evening.

He spoke on the "block protection plan" and explained how parents can assist in the protection of school children. Posters with the "Helping Hand" symbol on them were distributed to members who wish to participate.

Bud Reisinger, president, conducted the business meeting and reports were given by Mrs. Theresa Patrick, secretary, and Mrs. Bertha Wasylak, treasurer.

Mrs. Helen DeRuntz, health chairman, spoke on the school's health program and announced that it now has a visual testing machine and a hearing testing machine. Eye tests for students in the school will begin in November.

Mrs. Myrna Geisler, chairman of a rummage sale, reported on progress. The sale will be held Nov. 12 at 9 a.m. in the church basement.

Halloween pictures painted by the students have been collected, and names of the winners will be announced at the next meeting.

Sister Mary Georgina received an award for the largest number

## Bridal Shower For Miss Glozik

Miss Marilyn Glozik, daughter of Mr. and Mrs. Edward Glozik, 3709 Fair Oaks drive, was honored at a bridal shower Sunday afternoon at the home of Mrs. Gerald Rosenberg, 2284 Cleveland blvd.

The shower was given by Miss Phyllis Rosenberg and Mrs. Sheril Evans, both of whom are to be bridesmaids at her wedding Nov. 19 at St. John's United Church of Christ to Robert Wetzel, son of Mr. and Mrs. William Wetzel, 2000 Wayne avenue.

Orange and olive decorations were used in keeping with the wedding colors.

The tables were adorned with olive tablecloths and bronze and orange chrysanthemums in milk-glass vases. Orange streamers framed the gift table.

Food was a candy-filled miniature silver bridal suitcases. Prizes in games were awarded to Mrs. Linda Gibbs, Mrs. Betty King, Carol Tempel and Misses Pat Rutkowski, Linda Davis and Candy Price.

Guests included Mrs. Mackie Rosenberg, Mrs. John Gubser, Mrs. Brenda Jalich, Mrs. Evelyn Glozik, mother of the bride-to-be, Miss Marsha Galoway, Miss Mary Wetzel and Miss Berth Twietmeyer.

Refreshments were served by Mrs. Juanita Rosenberg, Miss Phyllis Rosenberg and Mrs. Evans.

## Miss Linda Evans Is Honoree

Miss Linda Evans, who will be married Nov. 26 to Edmund Christensen, was commended Sunday at a bridal miscellaneous shower given by Mrs. Gertrude Southwick at the Rose Bowl.

Approximately 40 were present. A buffet luncheon was served from a table adorned with fall flowers in shades of russet and gold, and the gift table held musical and other items.

Smaller tables were decorated with centerpieces of fall foliage and favors were little wedding Bibles topped with lilies of the valley.

Games were played, and prizes were won by Mrs. Erika Pritchett, Miss Mindy Knapp, Mrs. Bessie Rucker, the guest of honor, or Mrs. Jo Ann Brewer. Special awards went to Mrs. Lois Evans, and Mrs. Georgia Christensen, mother of the bride and groom to be, and the bride's grandmothers, Mrs. Georgia Millan and Mrs. Mary Holman.

Mrs. Southwick was assisted in the party arrangements by her sister, Mrs. Mary Bulkin, Miss Truly Bell, a cousin of the bride who will be in the wedding party, and the little flower girl, Kenney Lyons.

## Shower Held For Mrs. Gagich

Mrs. John Gagich was guest of honor Sunday afternoon at a cradle shower given in the home of Mrs. Ellie Mathews, 2427 Illinois avenue. Co-hostesses were Mrs. Mathews were Mrs. Dusan Gagich and Mrs. Richard Mathews.

Appointments were in keeping with the occasion and prizes in the games were won by Mrs. Fred Haug, Mrs. John Adams, Mrs. Frank Griffith, Mrs. Earl Mathews, Mrs. William Hancock, Mrs. Donald Sinclair, Mrs. John Turner and Mrs. Jerry Donley.

Others to whom refreshments were served were Mrs. Charles Boyles, Mrs. Richard Dawdy Jr., Mrs. Richard Schneider, Mrs. Curtis Denfield, Mrs. Charles Hillman, Mrs. Frank Griffith Jr., Mrs. George Moran, Miss Connie Mathews and the honoree.

Every man needs friends—not to flatter him, but to strengthen his weak points.

## B&PW Club Honors Women Of News Media with Tea

Four area newspaper women and a local woman radio engineer were honored at a tea given yesterday by the Granite City Business and Professional Women's Club. More than 75 members and guests attended the first annual "Women of the Press and Radio Honors Day," held in the Rose Bowl restaurant.

Those honored and presented with inscribed silver bowls and white chrysanthemum corsages included Miss Willie Fay of the Granite City Press-Record; Mrs. Ann Burton, of station Wgnu; Mrs. Charlotte Edmonds, Metro-East Journal; Miss Jane Clark, St. Louis Globe-Democrat; and Miss Sally Deity, St. Louis Post-Dispatch.

Mrs. Maxine Dacus, secretary to Press-Record publisher, C. E. Townsend, represented Miss Fay, who was out-of-town. Also unable to attend due to an out-of-town assignment was Miss Deity.

Miss Fay, who has been employed at the local newspaper since 1927, was honored for her long-standing efforts as a veteran news editor. Cited in her biography as possessing a phenomenal memory that provides vital background material for other members of the news staff, she also was credited with versatility in handling news items other than social events.

Also noted was the fact she has written third generation weddings and acquired thousands of friends in her years with the newspaper.

Mrs. Burton, one of few women in the two-state area to secure a radio engineer's license, also serves as an announcer at the local radio station and as administrative assistant to the station's general manager. She resides near Mitchell and is the mother of two children, Cindy, 12, and Jimmy, five.

Tea was served from a table decorated in a pink and white color scheme. Mrs. Nina Bigley, B&PW president, greeted the guests, while Mrs. Edna Kohlbrecher served as arrangement chairman for the tea.

Among the guests were Mrs. Edgar Vowau, River Bluffs Girl Scout Council; Mrs. Ida B. Handfield, District 29 director, Illinois Congress of Parents and Teachers; Miss Virginia Segar, Protestant Welfare Association; Miss Eulalia Holt, Madison county clerk; Mrs. Betty Lake and Mrs. Kathy Jeffries, GC Jayceettes; Diana Warnoff, Sandra Peterson and Josephine O'Neil, Delta Kappa Gamma Beta Eta; Sister Mary Thomas, C.D.P., St. Elizabeth Hospital administrator; Sister Mary Philomena, O.P.; Mrs. Jean Francis, GC Demo-

cratic Committee women's chairman; Mrs. Peter Argelan, president, St. Elizabeth Hospital Auxiliary; Commander Frances Westbrook, Quad-Cities Navy Mothers 880;

Mrs. Pearl Griffin, Mrs. Kipling B. Pellet, Lesche Literary Club; Mrs. Fred Werner and Mrs. Wilford Cooley, Nameok Coterie; Mrs. Vernice E. Wortman, GC Republican Women's Club; Mrs. Marcella Oborovich, Madison Junior Service Club; Mrs. Adrienne Warchol, and Mrs. Burdine Holtzsch, Lesche Literary Club; Mrs. Marge O'Neill, Mrs. Club; and Bob Baker, Wgnu.

Other weekend events held in observance of National Business and Professional Women's Week included an evening aboard the Goldenrod Showboat in St. Louis, Friday, when local B&PW members and their husbands saw a stage performance and entertainment by a Dixieland band.

Those attending were Mr. and Mrs. Howard Bischoff, Mr. and Mrs. Dale Arnett, Mr. and Mrs. Keller, Mrs. Vera Lengyel, Mrs. Charles Thurber, Mr. and Mrs. Allen, Mr. and Mrs. Claude D. Vall, Mr. and Mrs. Parker W. Bigley, Mrs. Vera Lengyel, Mrs. Florine Read and Mr. and Mrs.

Gay Rosch, who were in charge of the outing.

Mass at Our Lady of the Snows Shrine near Belleville, followed with breakfast and a tour of the gardens and buildings, were featured yesterday morning for club members. The local group was joined by representatives of the East St. Louis Business and Professional Women's Association.

Those participating from here were Mrs. Read, Mrs. Emily Alford, Mrs. Lengyel, Mrs. Elvira Thurber, Mrs. Opat DuVal, Mrs. William Ebel, Mrs. Lottie Schuster, Dr. Felicia D. Koch, Miss Estelle Sands and Mrs. Nina Bigley, Granite City B&PW president.

## FORMER RESIDENTS HERE

Mr. and Mrs. Cecil Pointer, former Granite Cityans who have been residing in Garden City, Calif., for several years, will leave Thursday for their home after visiting the past three weeks with Mrs. Pointer's nephew and niece, Mrs. and Mrs. Lester Fehling, 3523 Fair Oaks drive, and other relatives and friends in this area. They are former priorites of Pointer's Tea Room.

Free-Loaders. People who contribute the least to public enterprise are usually the most critical.

## Party Honors Debbie Voss

Debbie Voss, eight-year-old daughter of Mr. and Mrs. Bill Voss, 2524 Buenger blvd., celebrated her birthday at two parties Saturday given by her parents.

The following children were present in the afternoon: Tammy Vail, Connie Stawar, Saisa Martino, Phyllis and Janet Adams, Stephanie Trocader, Lisa Kee, Anita Shoemaker, Shawnee Duensing and Pam Smith. A Little Red Riding theme was used in the appointments of the party.

A family party was held in the evening. Those attending were Mr. and Mrs. Fred Jones and family, Mr. and Mrs. Ray Meyers, Mrs. Barbara Schwertman and children, Mr. and Mrs. Larry Voss and daughter, Mrs. Lois Jones, Bill Jones, Mr. and Mrs. Bud Will and daughter, Mrs. Lisa Kee, Fred Kaucher and son, Mr. and Mrs. Earl Voss and children, and Timmy McIlroy.

Refreshments were served at both parties and prizes were awarded.

#### Faces 2 Traffic Charges

Steve S. Spurgeon, 2327 Boyle avenue, was charged with speeding and driving on the wrong side of the road at 10:25 p.m. Friday at 27th street and Madison avenue. He was summoned for a hearing by next Monday.

#### Deceptive Practices

Billy A. Webb, 31, of St. Louis, was charged with deceptive practices by Granite City police at 10:30 a.m. Saturday after he was brought here from the East St. Louis police department.

ed to assistant director at a salary of \$11,500 per year and the board recommended a salary increase for Mikeshel from \$10,000 to \$17,000. The raise is subject to approval of the membership meeting to be held Nov. 10 at Fischer's restaurant, Belleville, and demands additional federal approval of additional planning projects.

The executive board also authorized the hiring of a draftsman-trainee through the Job Opportunity Commission at \$20 per week for 20 weeks.

#### SWIMAPC Board Expanding Area Plan Projects

The Southwestern Illinois Metropolitan Area Planning Commission has filed applications for federal planning grants for six area communities and five others are under consideration. Theodore Mikeshel, executive director of SWIMAPC, told the commission's executive board in a meeting Thursday night.

Mikeshel also announced that the commission has decided to limit \$21,000 from Madison, St. Clair and Monroe counties for planning activities. In the past, the commission depended upon contributions from townships, municipalities and state funds.

A budget request of \$103,465 for the next two years has been filed with the state budgetary commission.

The board Thursday night received a proposal from SWIMAPC Chairman Harry Briggs, supervisor of Nameoki township, for a feasibility study of a plan to incorporate all of Nameoki township as a city. Briggs, who first announced the proposal three weeks ago, said the proposition has the support of the township board.

Briggs suggested SWIMAPC enlist the aid of the Southern Illinois University - Southern Campus in making the feasibility study. He pointed out that the township is growing rapidly and now has a population of 15,000 or 16,000 persons. Many of the areas of the township lack sewage facilities and efforts to pass a bond issue have been defeated.

Board members attending the meeting in addition to Briggs included Edward Holzweg of Collinsville; Alton May, Alton township supervisor; and Ray Ripplmeyer of Valmeyer, a Monroe county commissioner.

Charles McKinney was present.

#### No School Here Friday --Teachers' Institute

Public schools will not be in session next Friday as the teachers' institute for Madison, St. Clair, Bond and Clinton counties will be held Oct. 28.

Four sections of the institute will be meeting in the Quincy City area with the kindergarten section headed by June Reisenberger of Belleville in session at the new Parkview grade school.

The session for administrators will be held at Madison senior schools.

**Rev. Skordinsky Injured**  
Rev. Michael Skordinsky, 53, pastor of St. Mary's Greek Catholic Church at Madison, was injured shortly after 5 p.m. Friday when he was struck by a car at 12th street and Madison avenue.  
Rev. Skordinsky was taken to St. Elizabeth Hospital where he was treated for leg pains and released. He re-entered the hospital at 10:15 p.m. Friday for further treatment and observation.  
Madison police said he was struck by a car driven by Dallas Dean Voyles of St. Louis, who told officers he was headed west on 12th street and was blinded by the sun as he made a left turn onto Madison avenue. He said he did not see Rev. Skordinsky until too late to avoid striking him.

**2 Hurt on Broadway**  
Two St. Louisans were injured seriously about 2:45 a.m. Sunday when their westbound auto crashed into and broke off a large, wooden utility pole on Broadway at Second street, in front of the Venice Methodist Church.  
The driver, Oliver Driver, 44, was admitted to St. Elizabeth Hospital with cuts to his face and right elbow and a concussion. His passenger, Roger Swank, 54, also suffered concussion and cuts to his scalp, face and left leg.  
Ethel Haynes, 37, of 1106 Logan street, Venice, suffered minor injuries at 4:10 p.m. Thursday when the car which she was driving was struck from the rear. Police said the accident occurred at the toll station of McKinley bridge. The Haynes car was struck as it stopped at the toll station by a car driven by James E. Flaherty, 39, of 2127 Edison avenue.

Larry Atkinson, nine, of 2316 Cleveland blvd., suffered minor injuries when his bicycle was struck by the eastbound auto of Donald R. Robinson, 2319 Bryan avenue, at 5:55 p.m. Thursday at 23rd street and Delmar avenue.  
The boy rode his bicycle off a sidewalk from behind a parked car to cross 23rd street. Robinson reported the boy became frightened and ran home.

**Auto Hits Pole**  
Julie Lowe, 37, of Collinsville, was injured Friday evening when she lost control of her auto on Route 35, ran into a field and struck a utility pole. She was admitted to St. Elizabeth Hospital at 8 p.m. with a lacerated cheek and a swollen left eye.  
Aubrey D. Bell, 46, of 3012 Kirkpatrick Holmes, suffered no injuries Saturday evening in a two-car collision on Pontion road at Vine blvd. Police said Bell was going east and stopped to make a left turn when the rear of his auto was hit by the eastbound car of Homer Patterson, 1604 Bremen avenue. Patterson told police his brakes failed.

William Wadlow, 23, of 4125 Lake drive, was injured about 11:50 p.m. Saturday when he lost control of his auto while driving west on Pontion road and it crashed through the fencing on the east side of the

## Working Man Cites Taxes, Wars

To the Editor:

If I had any boys, I would have a feeling that, in voting Democratic, I might be sentencing those boys to their deaths. For since 1900 we have not had a Democratic administration without a war. There was Wilson's war, Roosevelt's war, Truman's war, and now we have the most idiotic war of them all.

All these wars could clearly have been avoided by the exercise of a little common sense and less meddling in foreign affairs by the government.

I have heard it said that if it were left up to popular vote, there would be no wars. Well, it is "left up" to popular vote.

If you want war, just vote for a Democratic administration and it will not be long until you have your guaranteed satisfaction—if you haven't got a ready-made war left over from the last batch of Democrats. Does not everyone demonstrate that? It's obvious.

Some Democrats say, "You never had it so good." A lot of guys in Vietnam, close to 300,000 of them, will tell you they never had it so bad.

## URGES EXPANDED MENTAL HEALTH SERVICES HERE

To the Editor:

Early in 1963 President Kennedy sent a new and better type of mental health facility. Eight months later, the Mental Health Centers Construction Act of 1963 was enacted. It authorized federal matching funds of \$150 million for construction of community mental health centers.

In 1964 regulations were issued which specified that to qualify for federal construction funds, a mental health center must provide at least these five services:

1. Inpatient services.
2. Outpatient services.
3. Partial hospitalization services, including at least day care.
4. Emergency services provided 24 hours a day within at least one of the above services.
5. Consultation and education services.

These services would not duplicate or replace existing community services, but would coordinate them and fill in the things they are not now doing.

The Quad-Cities Mental Health Clinic at the present time provides only outpatient services. Even these are inadequate from the standpoint that outpatient clinics should be in the district of a psychiatrist. Psychiatric services are available at the clinic for only six or seven hours per week.

Passage of the mental health proposal on Nov. 8 would provide funds for the new type of mental health facility envisioned by President Kennedy.

Why are comprehensive mental health services needed in the community?

In the past, the burden of the costs of mental illness has been borne by the state, which maintains state hospitals such as the one at Alton.

However, most authorities now agree that a large mental hospital, in itself, anti-therapeutic. Even to a well person, it is depressing and depressing to be taken away from friends and family and shut in such an institution. Think what the effect must be on a sick person!

In one way or another we will spend tax money to pay for the care of the mentally ill. If we do not take the steps to prevent chronic mental illness and hospitalization, we are likely to end up paying far more for institutional care.

But completely apart from the question of cost is our concern for human worth. We cannot put a price tag on the human soul.

We spend billions for destruction. Let us spend a little for the human soul.

## More Deaths Result From Suicide Than Auto Crashes

Every few minutes, somewhere in the United States, someone attempts suicide. Every half hour, someone succeeds.

Each such tragedy involves private, personal anguish—for the individual, and for those who knew and loved him. And yet in each instance there is also an element of broad public interest and concern.

Last year, more people died from suicide than from automobile accidents. It is widely felt that this hopelessly high death toll could be reduced considerably if there was greater understanding by citizens generally. But there is danger that the present toll instead will increase, due to the increasing urbanization of our society.

Illinois statistics show that the most susceptible person is a man around the age of 50, often a successful business or professional man. Suicide rates rise with increased education. For example, in the armed services, prevalence is higher among officers than among enlisted men.

Eight out of ten people who kill themselves give definite warnings of their intentions; at least subconsciously, they intend to. Of course, many make threats without carrying them out. But suicide threats should always be taken seriously.

Ironically, most who do take their own hand are not really intent on killing. Dr. Thaddeus Kostubala of the Northwestern University Medical School notes that "the majority ask for help beforehand." Others give clues, some going so far as to arrange their own funerals. Some make sure their intentions are known in some way, frequently in the form of notes.

Few suicide victims are psychotic. Many resort to it simply because they become convinced that life holds no meaning for them—that they are not needed or wanted. Others give up rather than face what seem like insurmountable difficulties, such as unpaid bills, or funerals. Some make a fatal illness; finally, some in this category were mistaken.

Once an attempt is made, it is the individual suicidal forever? Fortunately, no; usually, only for a limited time.

If he is lucky enough to survive, he probably will lead a normal, useful life. However, professional help should be continued for at least three months after an unsuccessful attempt. During this time, a second attempt at self-destruction is most likely to occur.

Sound Legal Advice Vital

Protection for Taxpayers

Legal service of the Granite City school district, this community's largest taxing body, has been successful in every case in defending it against a wide variety of suits that threatened its financial position and its emphasis on instructional excellence.

Such competence is refreshing in an era of politically oriented lawyers, and it is its own reward to the public officials who have recognized the temptation to create a patronage system. The surest way for an officeholder to hamper his own effectiveness in this complex day and age is to settle for less than the ablest available legal advice.

There is a line on the ocean where you lose a day when you cross it. There is a line on the highway where you can lose more than that.

The trouble with life is that many of us are halfway through before we realize it is a do-it-yourself proposition.

Revenue Amendment Could Lead to Less Local Voice in What Service Government Is to Provide, Who Pays for It, and How Much It Costs

(Press-Record editorial analysis)

Does Papa (big government) always know best?

There is no easy answer, because it is a question of degree. Not many of us would want the task of assembling his own private army and navy, and not many of us would want to be against foreign aggressors. But most people would prefer to spend their money on their own private army and navy, and not have someone else dictate how every penny is to be used.

Obviously, some things can best be done by government, and other things are best left to the individual.

Guidelines considered helpful in determining where to draw the line include:

## Repeat Offenders Released Without Bond, Soon Involved in New Cases

## Family Problems Handled by Local United Fund Agency

Counseling by qualified individuals enables a troubled person to gain understanding of his feelings, attitudes and behavior, as well as an understanding of others who are involved with him in the problems, the Tri-Cities Area United Fund has ascertained.

In this way a person is helping to see things in better perspective and to clarify his thinking on decisions.

Assistance for those with marital problems, teenagers who are having difficulties or those with personal problems is available through the Family Service Agency of Southwestern Illinois, an agency of the United Fund.

Located in three separate communities, Family Service Agency has offices at 1330A Nineteenth street, in the Murphy Building, East St. Louis and in Belleville's Commercial Building. The Agency renders its service through counseling interviews in the office with an occasional home visit for diagnostic purposes or reaching out to a client who is not able enough integrated to be able to seek more actively the help which he needs.

Within the past year, 55 Quad-City families sought help from the Agency for the first time, with more than 388 interview sessions conducted for local residents. Michael H. Dalton, agency executive director, reports that some persons seeking guidance require only two or three consultations, while others may continue to visit the agency representatives for several months.

He related the experience of the Agency is that the average time necessary for adequate counseling efforts is nine to twelve consultations over a two-to-four month period. The Agency's professional work currently

**FAMILY SERVICE AGENCY of the United Fund** provides counseling services for Quad-City area families with problems.

is carried on by a paid staff of three full-time social caseworkers and three part-time caseworkers. All have master's degrees in social work from accredited universities. The agency also employs a full-time secretary and a part-time clerk and bookkeeper. A non-sectarian service, the Family Counseling Agency is governed by a lay board of directors composed of 30 citizens from the surrounding communities. Among the local directors are Dr. Felicia D. Koch, Randall Robertson, Terryl W. Francis and Joseph Glik.

personal problems handicap them in making the most of themselves and their opportunities.

On the first visit in marriage counseling the partners meet together with the counselor and then in separate consultations. Director Dalton explained. He said separate consultations may continue for several times until a couple can come together constructively in joint sessions with the counselor.

When the difficulty involves other members of the family, teenagers or adults, the same procedure is usually followed with individual sessions for each family member involved. In counseling on problems of younger children, usually only the parents participate.

**Confidential Services**  
All communications in counseling are treated as confidential, Dalton said.

A non-profit foundation, the Family Service Agency receives its major financial support from the United Funds of Belleville, East St. Louis and Tri-Cities area, which has allocated a \$3500 appropriation for 1967. The agency's total budget amounts to \$46,876.

Individual fees are contributed by families, depending upon the size and income. Those who are unable to afford a basic fee are subsidized through the United Fund allotments, Dalton explained.

In addition to the professional caseworkers, the Agency also has the services of Melvin Rubenstein, M.D., as a psychiatric consultant, and maintains close working relationships with other community agencies, mental health clinics, physicians, clergy, lawyers and other professional persons.

Many clients coming to the Family Service Agency are referred by attorneys, clergymen, schools, judges, police and other social groups, Dalton said.

## Births, Deaths, Marriages Increase Over Last Year

Births, deaths and marriages in Madison county during September increased over those of the same month a year ago, according to a vital statistics report by the office of County Clerk Eulalia Hotz.

A total of 338 births was reported in the county in September—169 boys and 167 girls, compared to 311 births in September a year ago.

The report showed a total of 162 deaths last month, an increase of 20 over the 142 reported in the same month of 1965, while the total of 232 marriages last month was an increase of 34 over the number reported in September a year ago.

**County Group to Plan State Fete in '68**

Meetings of the newly-appointed Illinois Sesqui-centennial Committee for Madison county are to be scheduled soon, Harold Landolt, chairman of the County board of supervisors, announced.

A group of 46 county residents are to plan state sesqui-centennial events to be held in the county during 1968.

Representing Granite City on the committee are William Heischler, executive director of the Manufacturers Association of the Tri-Cities; C. E. Townsend, editor and publisher of the Press-Record. Others on the committee are:

S. M. Wilson, Everett Sparks and Clyde Donham, Wood River; Charles Van Preter and Gus Haller, former county board chairman, East Alton; Mrs. Matilda Timmermer, Dorothy Colonius and Cal. Ralph J. Jackson (West-ern Military Academy), Alton.

Harry Kluge, June Kluge, Gilbert Killinger and Mike Pellegrini, Collinsville; R. F. Dauderman and Jean Wehling, Alhambra; Wilbur Meyer, Hamel; William Jenkins, Worden; Robert Edmiston and Antone Perne, Livingston; Walter Faries and Allison Gansman, St. Jacob; Leslie Prehn and Irvin Pledge, Bethalto; William Bryant, James Morse and C. M. Brown, Cottleville.

C. M. Brown, Moro; Russell Hoffman and Cyril Spengel, Highland; Mrs. Walter Kubant, Troy.

Robert Wetzel, Arthur Boeker, Eulalia Hotz, Edward Kane, Evelyn Bowles, D. H. Mudge, Hays Mallory, M. G. Schauerette, W. G. Straube, Roy Fruit, Leblanc, Schwartz, George Schneider, Truman May and Mrs. Dallas Harrell, all of Edwardsville.

**Man Fined \$60. Costs**  
Robert F. Morris, 43, of St. Charles, Mo., was fined \$50 plus \$5 costs for driving with an expired driver's license and \$10 plus \$5 costs for disobeying a traffic light during a hearing in magistrate's court last week. The charges were filed Oct. 4 by Granite City police.

## County's Landfill Ordinance Carries Strict Regulations

A county sanitary landfill ordinance proposed to the Madison county board of supervisors is a little more restrictive than state law governing landfills, Jack Clifford, zoning and building administrator, said today.

Members of the county board have been asked to submit any recommended changes to the ordinance, now in rough draft form, within the next week and a half so that a concise ordinance may be prepared and presented for action at the November board meeting.

The proposal calls for licensing landfills with a \$300 annual permit plus a \$10 garbage or trash truck fee. The law would be enforced by the zoning administrator or his designated representatives. The fees would not apply to municipal facilities.

The board of supervisors would appoint a five-member sanitation committee consisting of members of the board. The committee would provide adequate and frequent inspections of sanitary waste disposal sites and landfills.

**Hear Appeals, Review**  
It would hear appeals and review orders, requirements, decisions or determinations of the zoning administrator. Further appeals could be filed with the full county board and then with the circuit court. The committee also would hear and pass upon applications for variations to the ordinance.

The committee would consider matters as garbage disposal areas, locations most desirable and would screen applicants wishing to operate landfills.

The sanitation committee, in addition, could order a landfill closed for not more than 10 days if it should feel that a continued operation would threaten the welfare of the area or county. During that period, the permit holder would be given an opportunity to appear before the committee for a hearing.

**Fenced and Gated**  
According to the proposal, all landfills would be adequately fenced with an entrance gate that can be locked and with posted operating hours. All-weather

roads within the landfill site would be required to provide shelter with adequate water, heat, light and toilet facilities. Garbage and trash must be compacted, and each landfill is to have auxiliary equipment at the site in the event of a breakdown. Operators will be required to continuously police the site to prevent fires and litter.

At the end of each day's operation, garbage and trash is to be covered with six inches of cover material. Inactive areas of landfill are to have 12 inches of cover. When the landfill is brought up to two feet below the desired finish grade, it must be covered with 24 inches of cover material, graded and seeded to prevent erosion.

**Watersheds, Pollution**  
Levels of water sheds and questions of water pollution will help determine eligibility of landfill areas.

When a landfill operator receives a permit for an area previously used for a dump, he will have 15 working days to compact and cover existing trash.

The ordinance also calls for salvage materials to be removed from the premises every 24 hours, unless there are provisions for variations to the ordinance.

**Pvt. Thomas R. Shane**  
**Marine Recruit Grad**  
Marine Pvt. Thomas R. Shane, of Mr. and Mrs. Winifred Shane of 2130 Illinois avenue, has been graduated from eight weeks of recruit training at the Marine Corps Recruit Depot at San Diego, Calif.

Under the supervision of veteran non-commissioned officer Drill Instructors, he learned small arms marksmanship, bayonet fighting, and methods of self-instruction in military drill, history and traditions of the Marine Corps, and other academic subjects.

He will now undergo four weeks of individual combat training and four weeks of basic specialist training in his military job field before being assigned to a permanent unit.

**Those Who Can Benefit**  
Those who can benefit from the services offered by the United Fund agency are men and women who are unhappy in marriage; couples planning to marry and unsure about some aspect of their adjustment to each other; and parents who are worried about the behavior of their children or a problem of their care.

Others seeking help include teenagers who are having difficulty with adult authority or who own age and individuals whose

solutions for temporary storage within an enclosed routed and rat-proofed structure.

The ordinance prohibits the burning of any material deposited in a dump or landfill except when a special permit has been issued by the health officer.

**Fire Fighting Equipment**  
Landfill operators must have adequate fire fighting equipment available at the site or show proof of an agreement between the operator and a local fire district. Operators must have adequate dust control, and insects and rodents at the site shall be controlled and exterminated as directed by the zoning administrator.

The ordinance provides for a \$200 fine for any violation of the law and specifies that each day of the violation shall be considered as a separate offense. In other action the board purchased a pickup truck for the highway department from Butler

**Only Five More Days Of Daylight Savings**  
Daylight Savings Time has only five days to go—after today. On Sunday, Oct. 30, the summer fast time ends at 2 a.m. However, it is advised to set clocks back an hour before retiring Saturday night.

With the end of Daylight Time, the hour sleep lost six months ago on the last Sunday in April will be regained.

**Woman Fined \$120**  
Ladone Parris, 25, of 1325 Meridian street, was fined \$100 plus \$5 costs for driving without a license and \$10 plus \$5 costs for damaging a street sign with her auto. She appeared in the magistrate's court here last week. The charges were filed Sept. 30 by Madison police.

## Light Costumes Safer for Youthful Halloweeners

Parents of youthful trick or treaters should make certain their children can be seen while Halloweening. The Quad-City Safety Council warned today.

"Too often children's costumes are made of dark material which increases their chances of not being seen by drivers as they cross streets at night," the council pointed out.

Parents can help insure their children's safety by making or purchasing costumes that are brightly lit in color and the addition of white or yellow stripes or polka dots or other reflective colors to the costumes will help drivers see them after dark, the warning said.

Children also should be instructed to remove their masks while crossing streets. If their vision will not be obstructed, it added.

### Sen. Kennedy Visit Here is Cancelled

A scheduled appearance in Madison and Venice of U. S. Sen. Robert Kennedy on Wednesday has been cancelled, according to Walter T. "Buck" Simmons, chairman of the Madison county Democratic Central committee.

Senator Kennedy was to appear in Madison and Venice on Wednesday afternoon and then go to East St. Louis for a brief speaking appearance at the high school.

Because of a change in schedule, Kennedy will be unable to make the stop in Madison county, going directly to East St. Louis, Simmons said. Kennedy is campaigning in behalf of U. S. Senator Paul Douglas in the Nov. 8 general election.

Simmons said the time of Kennedy's appearance in East St. Louis still was indefinite today, but that it will be early in the afternoon.

**Coreless Driving, 26**, of 153 Viola Jones home, Venice, was arrested by Venice police at 6:30 p.m. Sunday. Police reported Reed was picked up at Klein and Brown streets. After he ran a stop sign. Hearing was set for Nov. 2 in magistrate's court.

Lee was released from the city hospital after treatment.

### Hillmer Tours European Steel Mills for Laclede

Harold Hillmer, 2660 Cleveland blvd., chief industrial engineer for Laclede Steel Co., returned last week from a three-week trip to Europe, primarily Germany and France to study steel operations.

He was accompanied by R. L. Owens of Alton, also associated with Laclede Steel Co. They visited steel mills and steel equipment manufacturers for rolling mills and wire drawing facilities in Germany and France and particularly the demonstration of a rolling mill which Laclede Steel purchased recently in Germany for steel making.

Several steel rolling facilities in Germany and France displayed the use of the latest engineering techniques, and Hillmer said the guests were impressed with the research and development.

Among the places visited during their arrival in Paris was the Eiffel Tower, where in plant of 3000 employees no-one spoke English. Understanding very little French, the guests were able to secure limited interpretation and participated in some technical discussions and observed the mill.

Other primary stops were Luxembourg city, and Herborn, Dusseldorf, Bremen and Witten, Germany. In addition they were able to spend a weekend in Copenhagen.

During the trip, Hillmer said, he enjoyed the friendliness of the people of Luxembourg, Denmark and particularly Germany. Traveling mostly by plane, they returned via London and stopped in Chicago enroute to St. Louis.

## SIU-SW Enrollment Up 417 Over Last Year

Enrollment at the Southwest Campus of Southern Illinois University stands at 7583 students, according to final figures for the fall semester. The total includes the teaching centers at Alton and East St. Louis.

The new enrollment is an increase of 417 over last year's final enrollment of 7166. Registrar John Schnabel said the principal increase of 29% occurred at the graduate level. The enrollment, he said, includes 723 freshmen, 1253 sophomores, 1021 juniors, 932 seniors and 1679 graduate students.

Schnabel accounted for the high figure of graduate students as due to work toward advanced degrees by persons who work full time, including elementary and secondary teachers.

SIU-SW officials announced recently that 43% of the classes at Southwest Campus meet after 5 p.m.

The registrar said there are 286 fewer students in the freshman class than last year, but he attributed this to students entering college in the summer as soon as they are graduated from high school. Total enrollment of all SIU operations, including Carbondale, is 28,751.

### Windows Broken at Home

Mrs. Roy Harnett, 2324 St. Clair avenue, reported at 3:30 p.m. Thursday that someone broke four windows of her home and wrote vulgar words on the walls.

Officers reported that they instructed the boys to leave the area. The youths left, but a short time later returned to the scene, police reported. The trio was released on notices to appear at a magistrate's hearing Nov. 2 in Madison.

## Bridge Rail

As a result of the recent opening of the Interstate Route 66, Chas. of Rock bridge, He pointed out that a drop in traffic was noticeable during the last week of September, immediately after the Route 270 bridge opening, but that during the first two weeks of this month, McKinley bridge traffic was down by about 100 vehicles.

The Venice council conducted only routine business Friday night. It approved an ordinance establishing stop signs on the north and south sides of Douglas street, 150 feet west of Mercedia street at a crosswalk used by Blair school pupils.

The signs will be reversible and will be turned by the city street department during non-school hours.

A building permit was granted to Cecil James, 1301 Oriole street, for construction of a concrete block carport at a cost of \$150.

The council received and filed a report of the Venice police department for September, showing a total of 42 arrests which resulted in 35 court cases and payment of fines and fees to the city in the amount of \$775. In addition to the 35 court cases, three prisoners were released without charges, two were released when charges were withdrawn, one was sentenced to seven days in jail and one was released to his parents.

## Eight Divorce Decrees Granted

A divorce was granted in a suit filed by Mrs. Margaret Esther Lay, Creve Coeur, Mo., from Dr. Robert M. Lay, Granite City physician and surgeon, in Madison county circuit court at Edwardsville last week.

It was one of eight divorce decrees placed on file last week in the Edwardsville and Granite City divisions of circuit court.

Dr. and Mrs. Lay were married June 28, 1947, in Maplewood, Mo., and separated Sept. 1, 1965. Desertion was charged. Custody of two children was given to the mother.

Dr. Lay was ordered to pay an immediate \$10,000 in alimony of \$700 per month and child support of \$300 per month. He also was ordered to secure a \$50,000 life insurance policy, naming Mrs. Lay and the children as beneficiaries, and to provide the children with a college education at the proper time.

Mrs. Lay was given the title to real estate in Creve Coeur, a 1958 auto and household goods, while Dr. Lay retained ownership of his home in Collinsville.

### Other Divorces

The other divorces were granted to: Jean McGinness from Richard Lee McGinness of Granite City. They were married Oct. 15, 1963, following a previous marriage and divorce, and separated last Sept. 12. Cruelty was charged. The mother received custody of two children, and the father was ordered to pay \$100 per month child support.

Anna Rose Morgan from Jerry Lee Morgan, both of Granite City. They were married last Jan. 29 and separated on Sept. 3. Cruelty was charged. Her former name of Jean Voyles was restored.

Nancy Jo Segedy from Steve Segedy Jr., both of Granite City. They were married Oct. 12, 1963. Cruelty was charged. Custody of two children was granted to the mother, and the father was ordered to pay \$25 per week child support.

Beverly Cuvar from Robert Cuvar, both of Granite City. They were married April 14, 1965, in Edwardsville. The charge was cruelty. The mother received custody of one child, and the father was ordered to pay \$15 per week child support.

Janice D. George, a minor, by her father, E. N. Lee of Granite City, from Glendon W. George. They were married Jan. 19, 1964, in St. Louis, and separated the following Oct. 28. The charge was desertion. Her maiden name of Janice Lee was restored.

Peggy Farshaw from Robert H. Farshaw, both of Granite City. They were married Jan. 20, 1961, in Granite City, and separated in July, 1965. Desertion was the charge.

Judith Ann Shannon from Randall Robert Shannon, both of Granite City. They were married last May 27 in Jacksonville. The charge was cruelty. Her maiden name of Judith Ann Steele was restored.

## Industries Plan Maximum Effort to Clean the Air

Dr. W. L. Faith, consulting engineer to the Industrial Waste Control Council, told the Illinois Manufacturers' Association meeting at Augustine's restaurant in Belleville Thursday evening that many companies in the local area would be extended to their maximum economic and technical capabilities to comply with the Industrial Waste Control Council clean air program.

The Industrial Waste Council announced previously that they would submit to the East-West Gateway Coordinating Council by Nov. 1 a clean air program containing recommended air pollution control regulations in an ordinance form.

Dr. Faith said the clean air program is based on the latest technology and the most current developments in air pollution abatement. "The program is the result of industry recognizing the industrial air pollution problem and being willing to do something about it."

"The Interstate Air Pollution Study shows that industry groups are responsible for about 30% of the total air pollution problem. I have found that companies in the area are willing to go to work

immediately to reduce industrial air pollution."

He only hopes that the public and the governmental units are willing to act as fast to accept a total air pollution abatement program. Unless all sources of pollution are curtailed, we will have accomplished relatively little to clean up the atmosphere regardless of the progress made by industry.

"Jean Schuengeman, United States Public Health Service, told the Gateway Council at the last hearing, that anything less than the proposed standards will not be acceptable to the Federal Government," he said.

"As long as this rigid, unyielding attitude prevails, one could almost conclude that the United States Public Health Service is holding up the adoption of an air pollution ordinance."

"Many of the proposed regulations in the Interstate Study are economically and technically infeasible for many companies to meet and they will have to apply for a variance. My experience in Los Angeles indicates that when a number of companies apply for a variance, it tends to dilute the entire air pollution abatement program."

## Two-County Youth Corps Gets \$664,360 U.S. Grant

(Special from Washington)

Federal funds have been approved for the Neighborhood Youth Corps project, sponsored jointly by the Madison and St. Clair Counties Economic Opportunity Commissions. Approval of a \$664,360 Department of Labor grant to the two anti-poverty agencies was announced Friday in Washington, D. C., by U. S. Senator Paul H. Douglas of Illinois and U. S. Congressman Melvin Price, (D), East St. Louis.

In making the announcement, the legislators said that the project will provide work experience opportunities for 650 in-school enrollees and 400 summer enrollees. The program will cost a total of \$736,300, with the remaining funds to be provided through local level agencies in supervisory services, donated materials and other in-kind contributions.

At the present time, 45 youths from the Quad-Cities, ranging in age from 16 to 21 years, are enrolled in the program, David Walker, Tri-Cities EOC director, said. Many more are eligible to be trained under the work experience project when additional positions can be located in the area, he explained.

Most of those already placed in after-school and Saturday jobs are employed with local school districts. Currently, the program

stipulates that enrollees must be found positions with public service agencies or similar non-profit organizations, the director said.

Citing an example of those eligible for the Neighborhood Youth Corps program, Walker said that youths must come from low income families, attend school and be between the ages of 16 and 21 years. Financial consideration is based on an annual income of \$2400 for a family of three, or up to \$2685 for families with 12 members.

Enrollees are required to work two hours during or after school, depending on the type of job secured. He said that several youths are employed in the Madison school system.

### \$10,000 Suit on File
